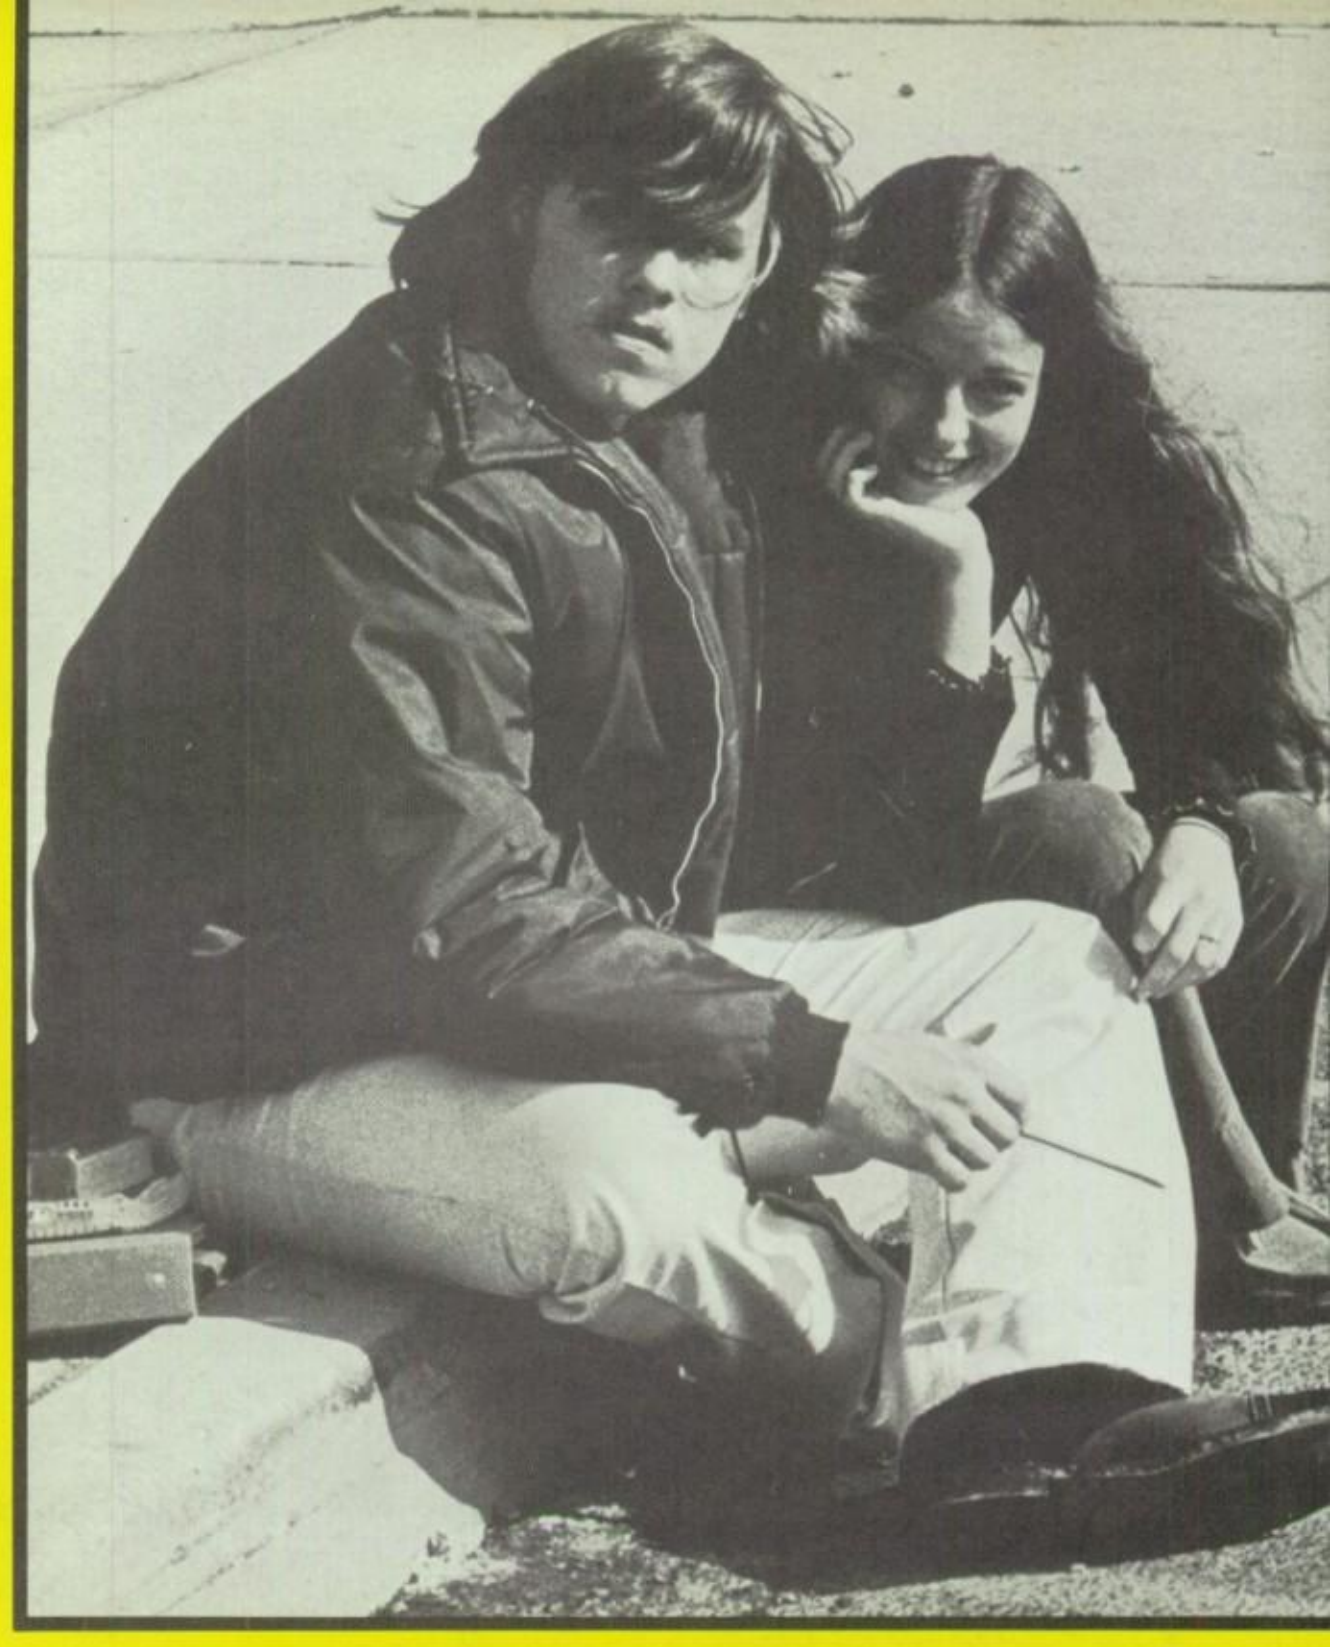
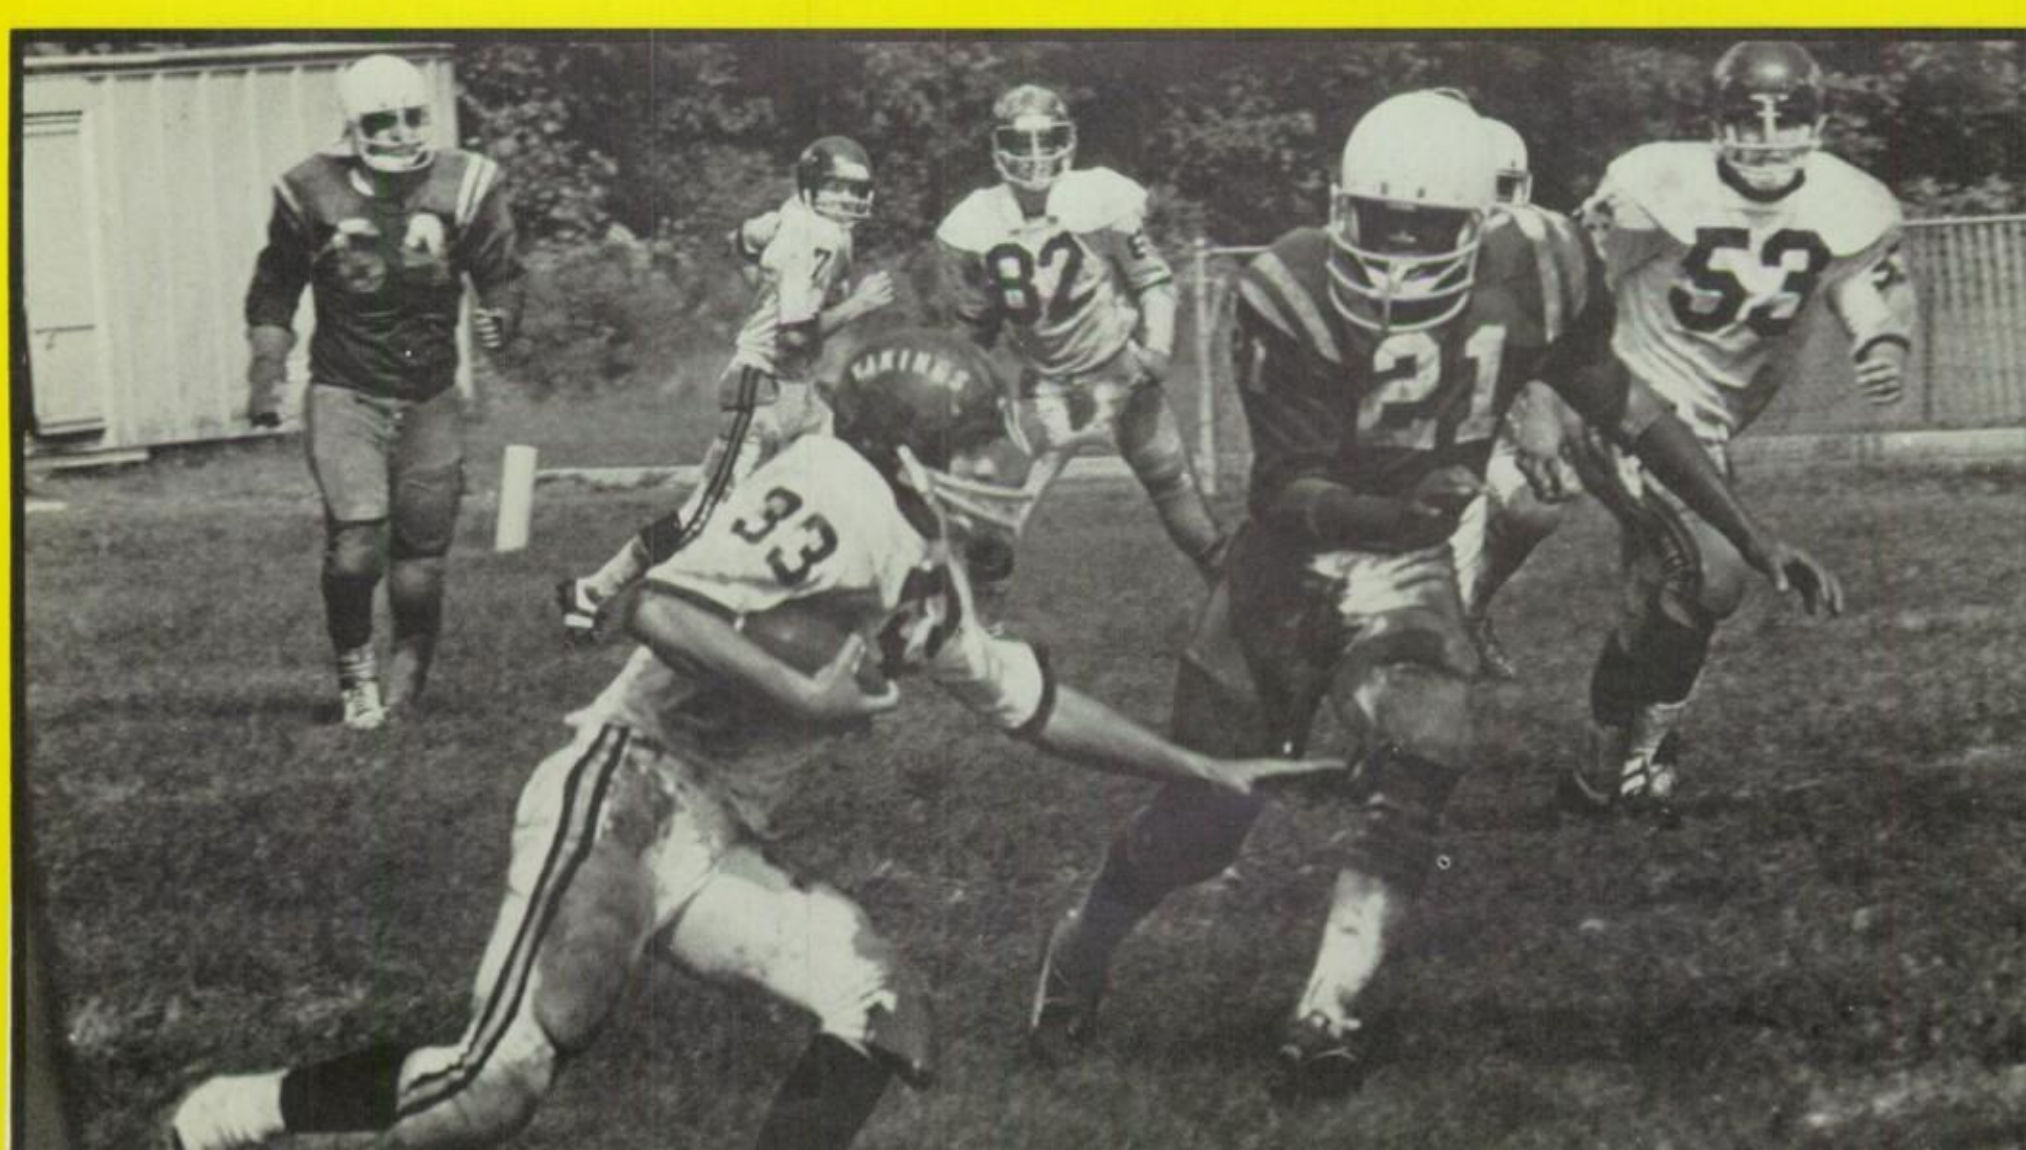
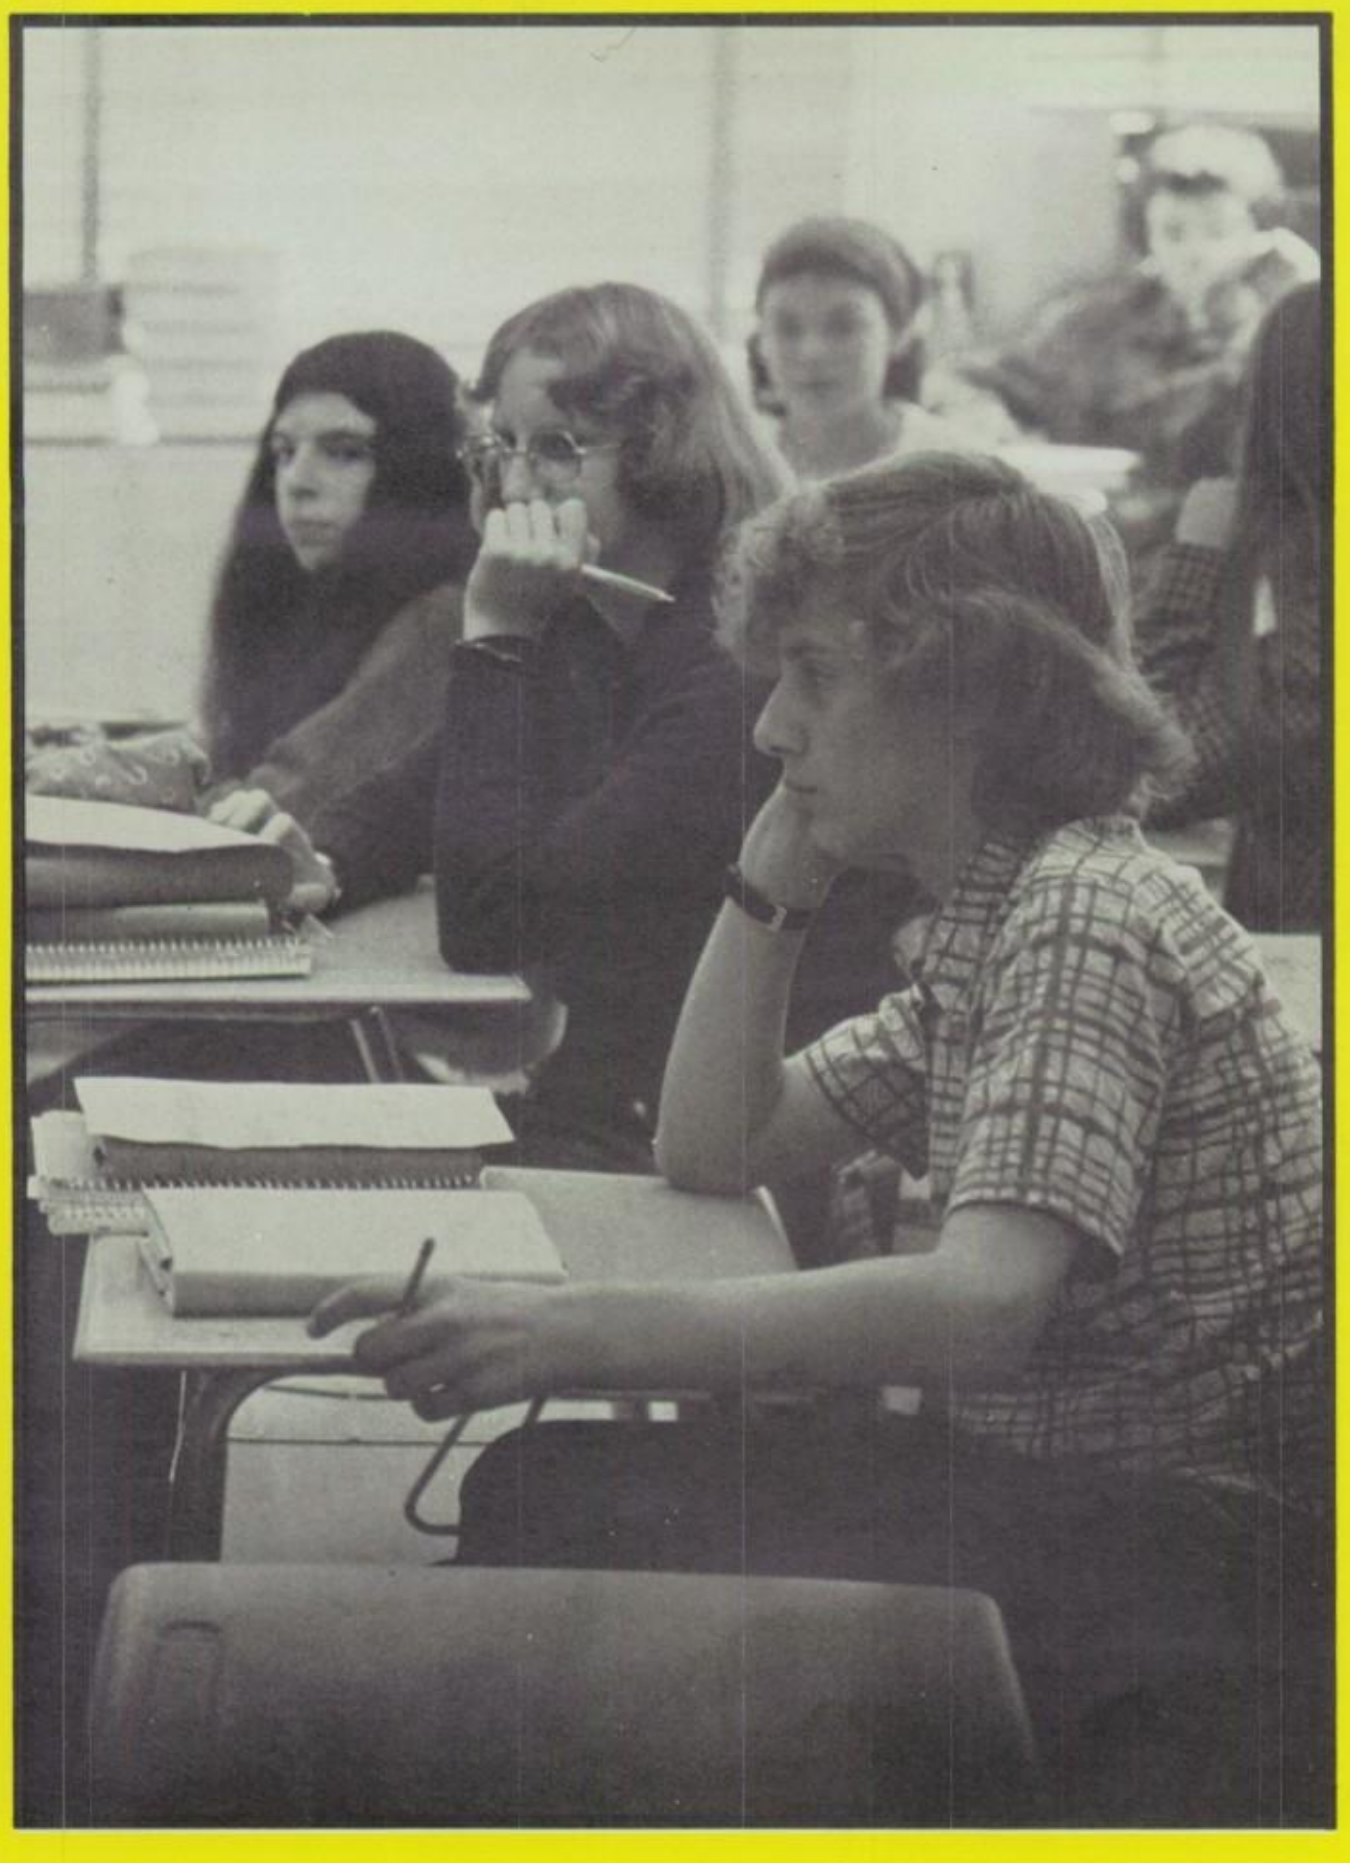
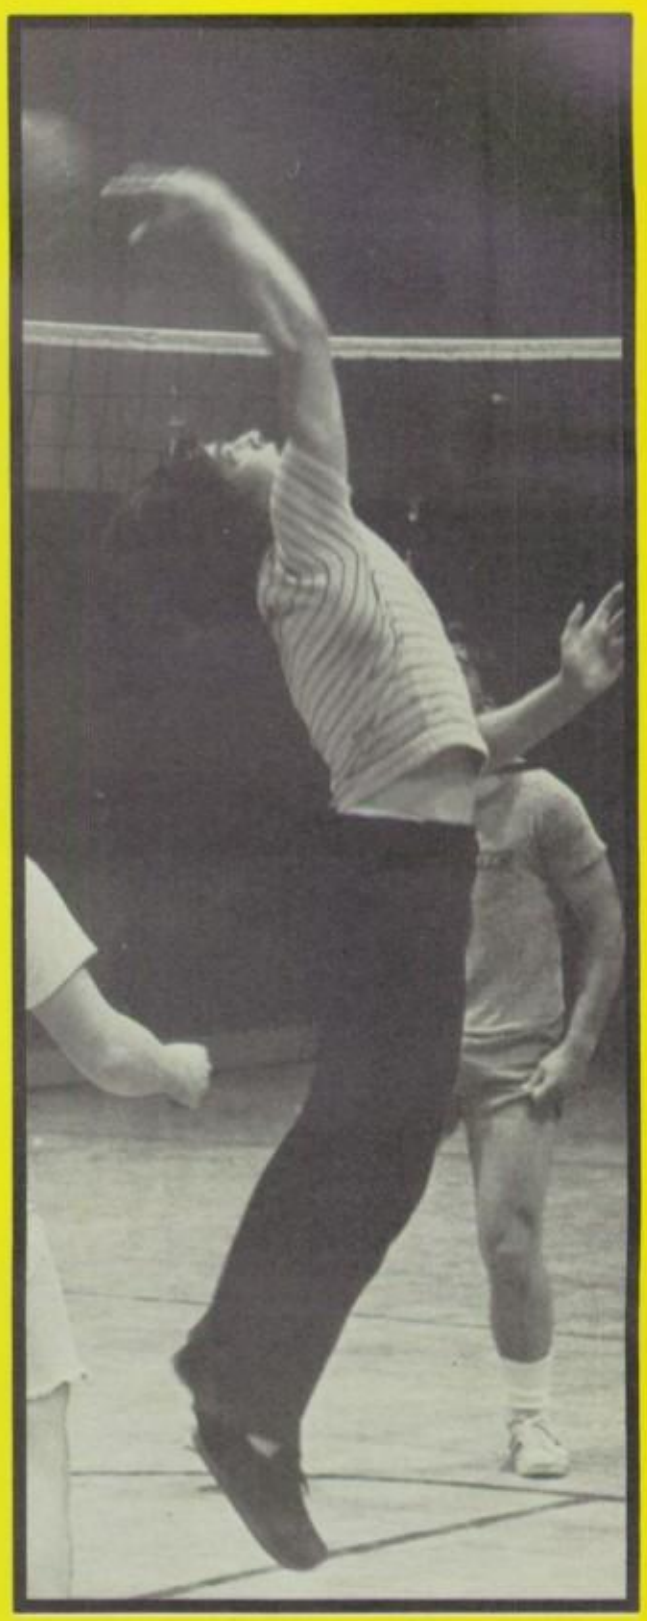
This year appears on the
horizon of time
You and I . . .
The sun and the sea . . .
Crashing upon the
shore of eternity
And its fine clean sand
slipping through
our hands
Finally . . . to be caught —
here in the hourglass.

We have
All grown,
In the depth of
Our minds,
In the capacity
Of our bodies,
And in the com-
passion of our
hearts.









Winning
isn't
everything
but
wanting
to
win
is.

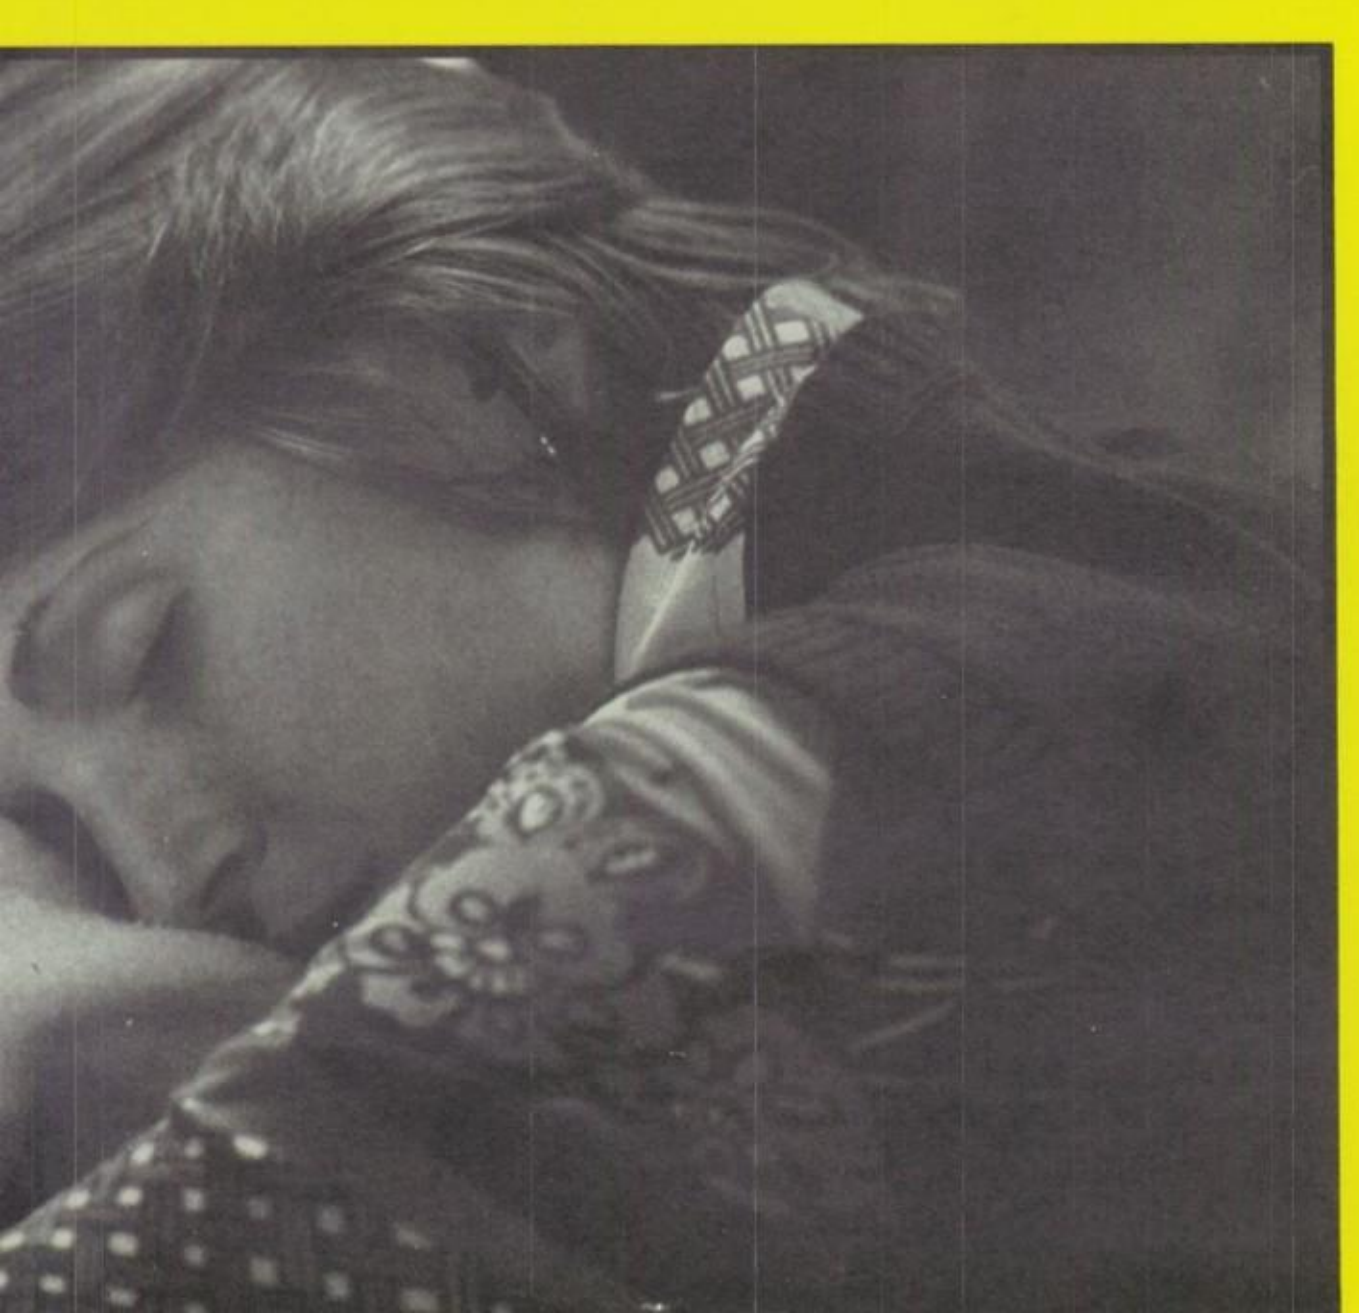
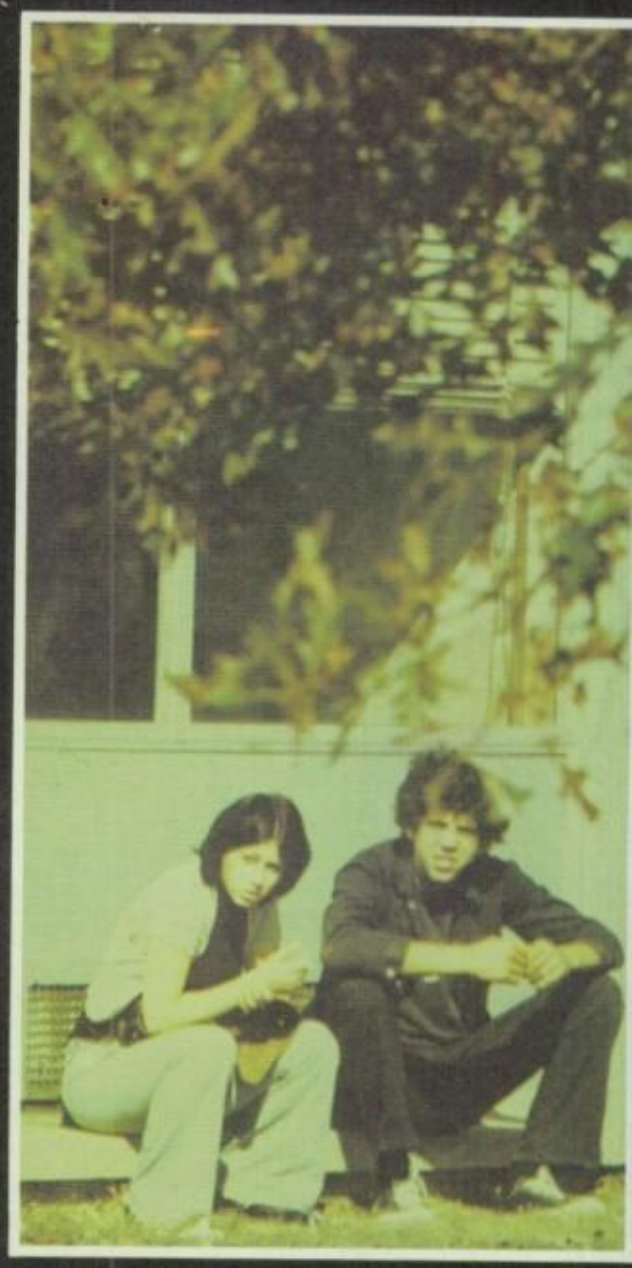
A Picture Is A Poem Without Words



Happiness Is Not Perfected Until It Is Shared



It's not what he has,
Nor even what he does
    Which directly expresses
    the worth of a man,
But what he is.

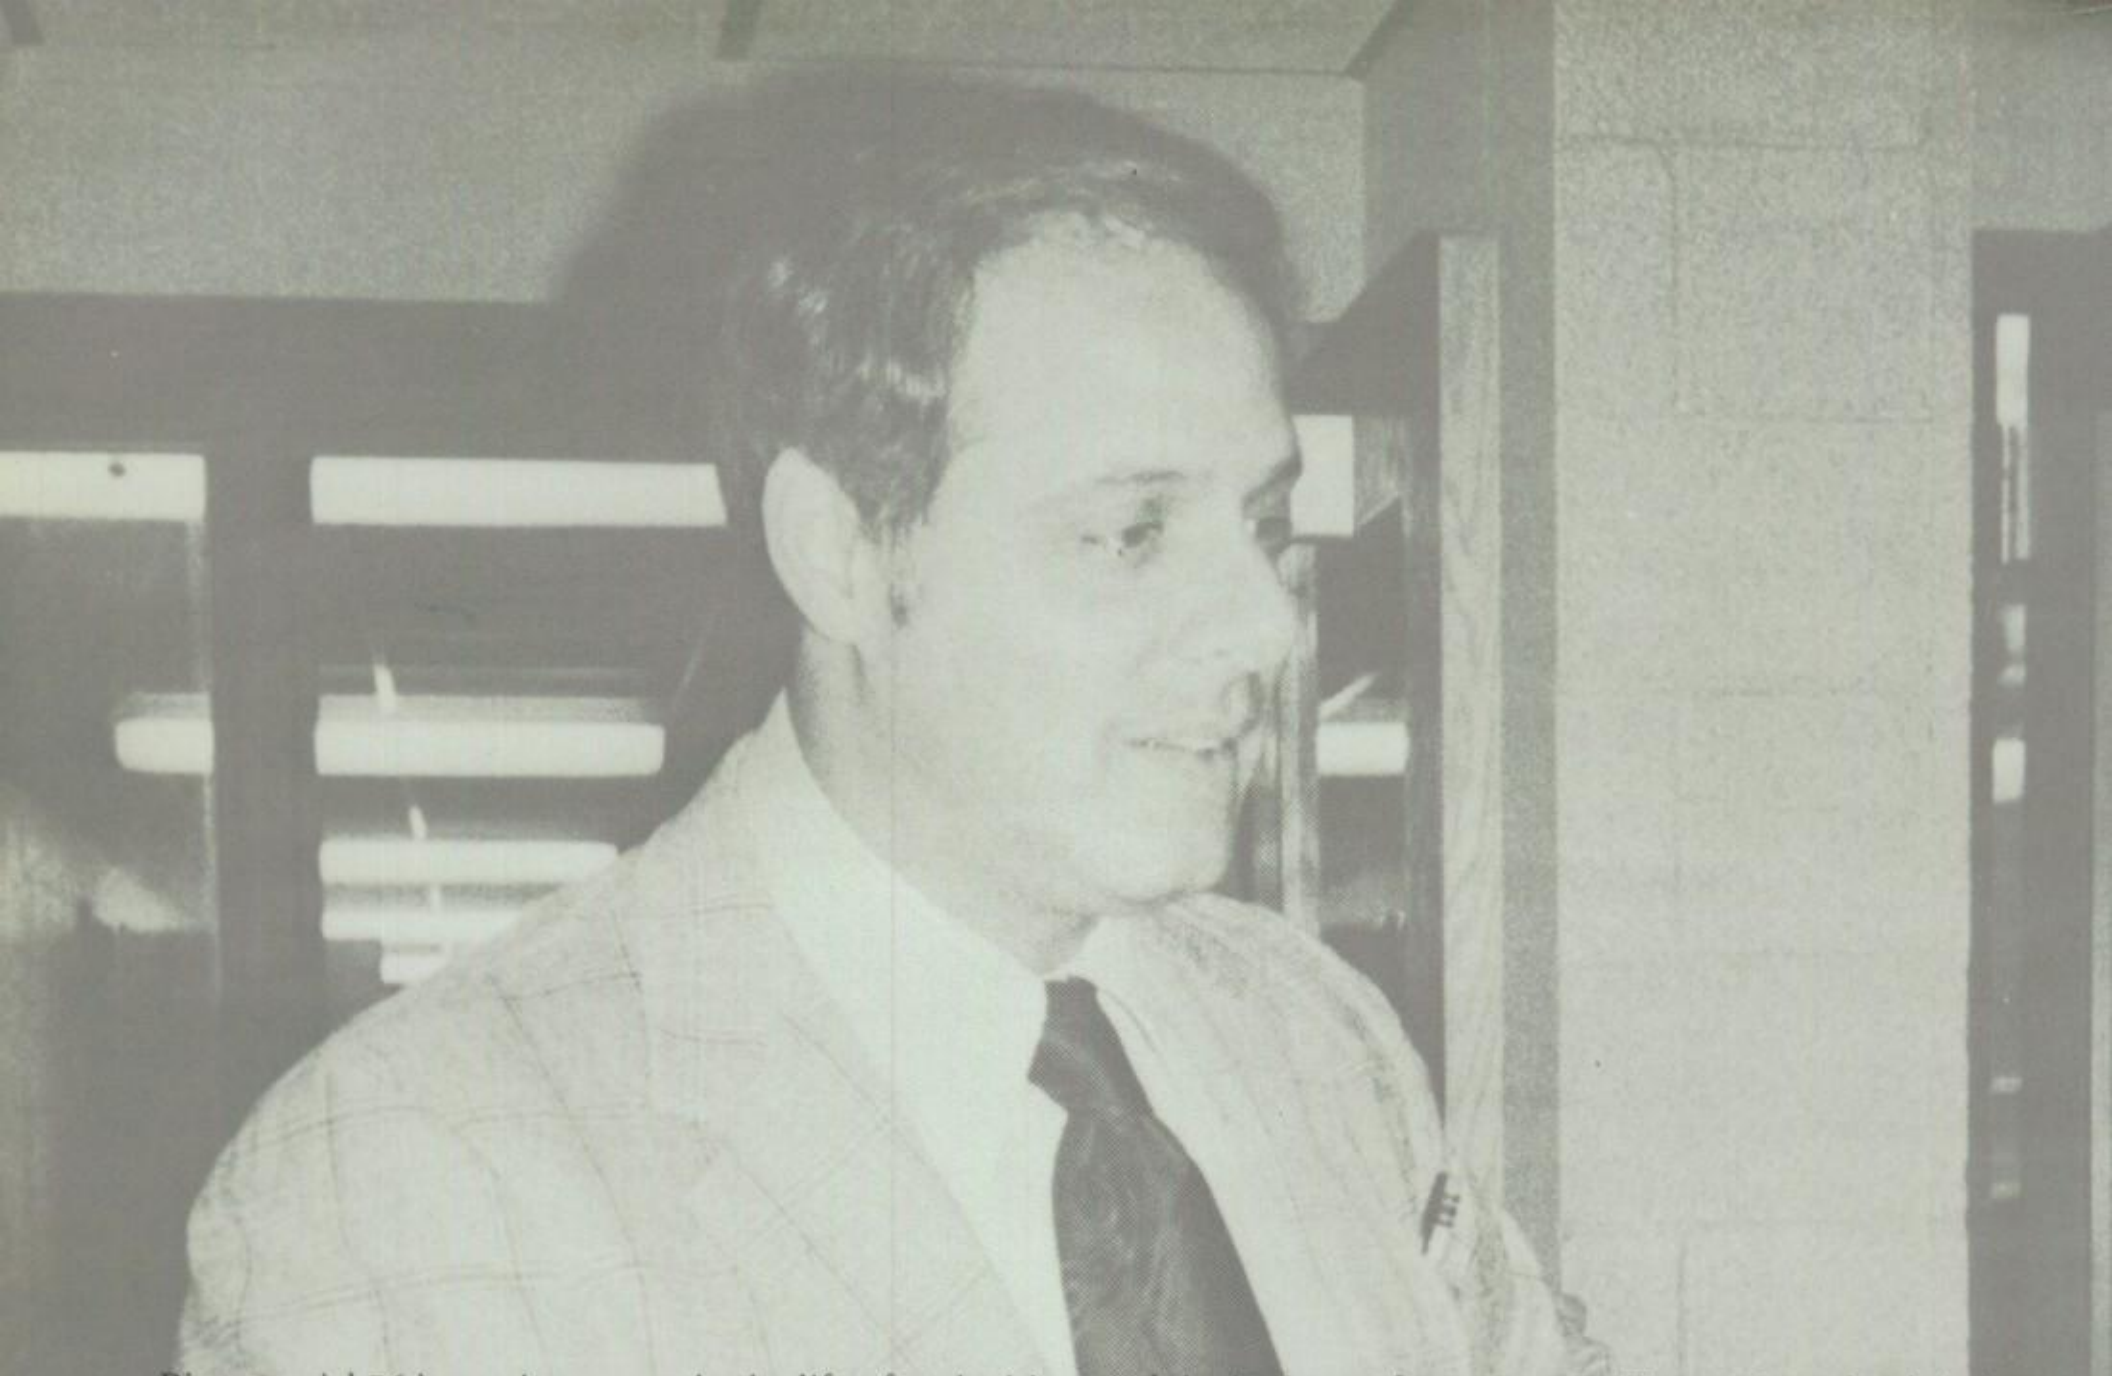
FACULTY



Bicentennial 76 is a unique event in the life of each citizen and the heritage of our country. The 1976 yearbook is therefore also a special document and serves as a tribute to a class that has given much service to South Brunswick High School.

High School years span a turbulent time that bridges early adolescence and adulthood. For those of us who work in secondary education there is a great need to develop patience and understanding because the individuals living through these years are continuously unfolding, changing and questioning the meaning of life. When this natural process is touched by the confusion and uncertainty of life in our contemporary society, the result is a greater frustration and concern for the unknown.

The Bicentennial provides us with an occasion to examine our past, reflect upon our present and plan for our future. The class of 76 has witnessed major political and economic changes in our nation. As a group, this class has given much time and effort to the improvement of life at South Brunswick High School. As they leave, they provide a model to future classes to serve the community and work toward the best that life in a democracy can provide. If our founding fathers had been willing to live under the political influence of an aristocracy, if they had been willing to allow a very few to live well because of the labor of the majority, if they had been willing to allow traditions of social inequality and persecution to go unchecked, then we might well have never lived to celebrate the benefits of 1976.

What I hope our history has shown us is that men can improve the quality of life. To dream the impossible dream is not enough: fight the fight and dedicate your life to the standards of excellence and social justice that are expressed in the Declaration of Independence and Constitution.

It is in our hands to create a tomorrow equal to the dreams of our ancestors and worth of our children!

Sincerely,

Richard A. Kaye

Community Involvement Personal Educational Development

Phil Wullschleger

Director

Students are provided an opportunity to spend one day each week at a selected activity in the community. The economic life, governmental agencies and social institutions in the surrounding counties have become our enlarged classroom.

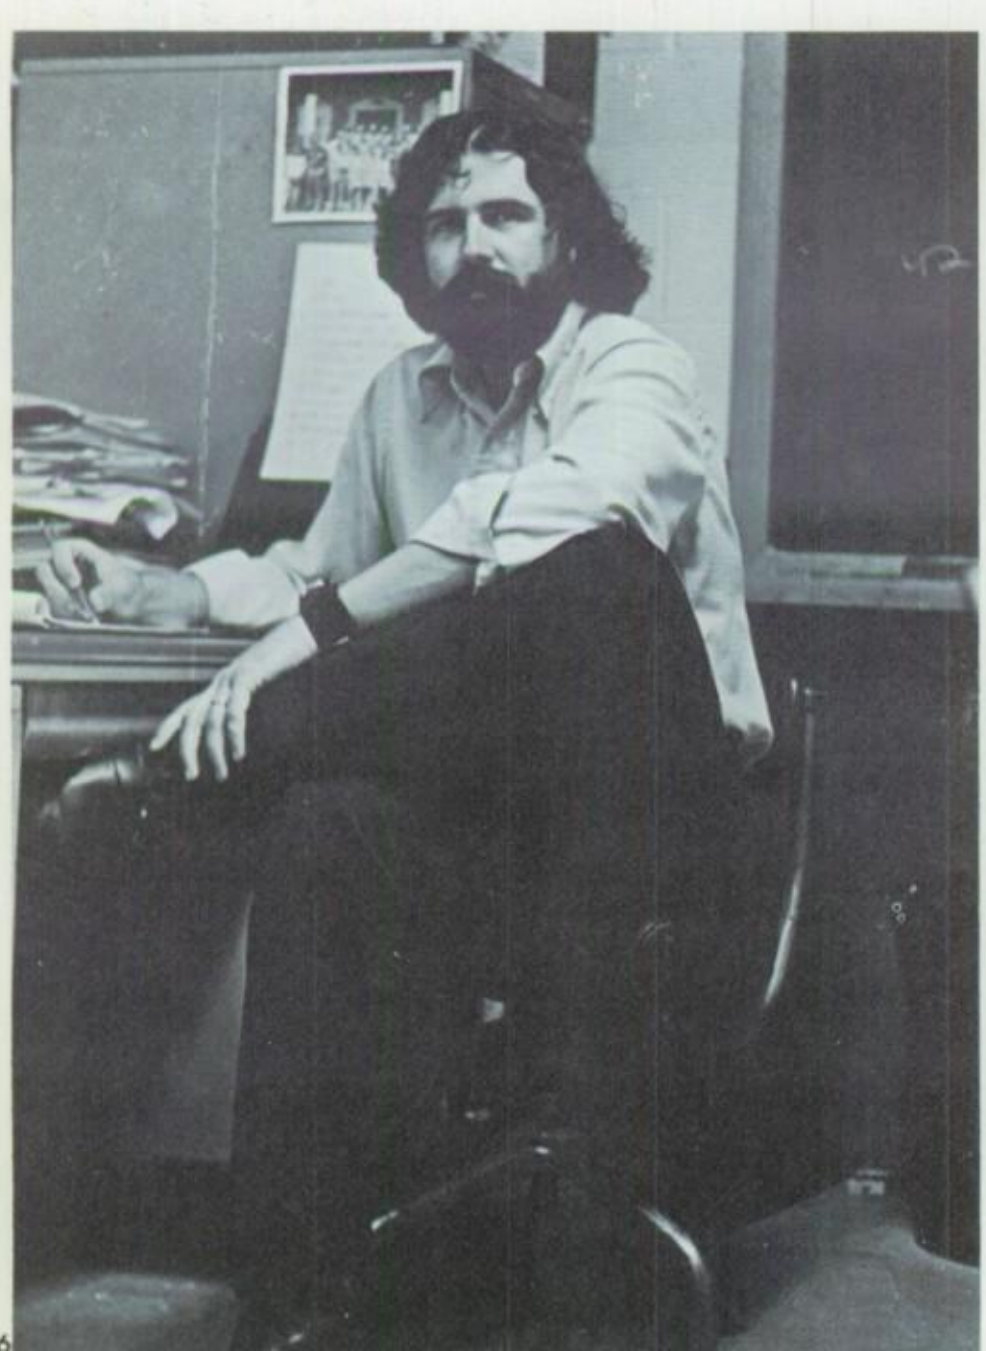
Activities are arranged to accomplish definite goals — including opportunities for students to grow in self reliance, confidence, decision making skills and ability to relate to people. CIPED will permit students to explore career interests and increase their knowledge of opportunities and demands in the real world.

Title III

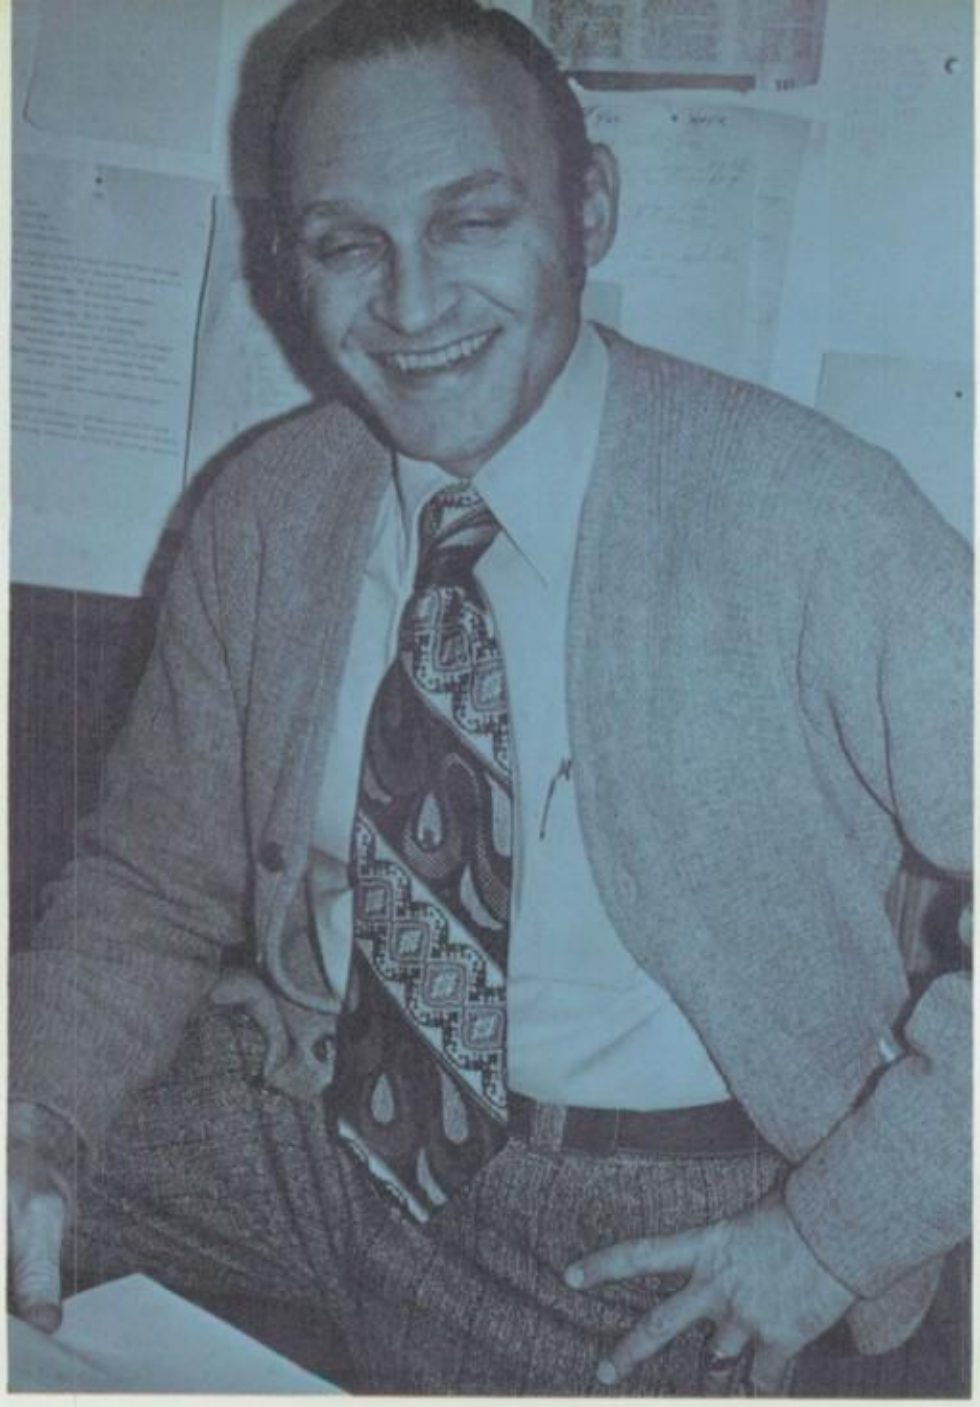
Title III is a project sponsored by the government which provide funds for programs to improve education. SBHS's project is called "Curriculum Innovation, Development and Education." Its purpose is to work with teachers to improve the programs in the school and to evaluate any changes which were made.

Programs running this year were in basic math skills, algebraic skills, freshman science and biometrics in biology. Also, the Title III project is involved in an evaluation of the results of the High School reorganization which took place last summer.

The Title III staff consists of Dennis Fyffe, Project Director; Robert Johnson, Assessment Coordinator; Judy Kopak, Title III Secretary, and Robin Young, CIPED intern.



Library



Raymond Sabin

The library's problems have largely been a lack of space. A library is no longer a collection of books and magazines only, but rather it is made up of collections of various types of media, such as films, filmstrips, slides, phonograph records, cassette tapes, and videotapes. Books and magazines are, of course, included and do not take a back seat to the other media.

The media center will be ready some time after the first of the year.

The first half of the faculty section was used to introduce the people that keep South Brunswick High School going. It also showed recent changes that have taken place and their results. Hopefully it brought out a little of the people themselves.

The second half of this section is devoted to personality. Students come into contact with their teachers every day, and yet how many students really know their teachers well? Teachers have thoughts, opinions, ideas and senses of humor, which the student may or may not ever know about. This year we have included a candid picture of each member of the faculty. Perhaps this section will help bring out a little of the personalities that make up the South Brunswick High School faculty.

ACTIVITIES

"UP, TWO, OUT, UP . . ."

Under the direction of Mr. John Wright and Miss Carter, the marching band and girl squads performed at numerous events. They participated in the Home News Band Festival, at the United Fund Balloon Launch at I.B.M., and in parades — all in addition to the regular Saturday football games. Head majorette Iwona Blazewski led the band in march, while band president Diane Drayer conducted in the stands.

GIRL SQUADS' SPIRIT NEVER DAMPENS

The girl squads, dressed in new uniforms, added spirit and color to the band. The drill team traded their boards for pom-poms, creating an effect to the band that South Brunswick has never had before.

FOOTBALL CHEERLEADING

VARSITY CHEERLEADERS. Cheryl Molnar, Karen Voorhees, Debbie Calvanelli, Cindy Noebels, Debbie Benninghoff, Sylvia Simmons, Eileen Levitan.

The purpose of the cheerleading squads is to arouse school and team spirit while maintaining sportsman-like behavior within the crowd. This year's Varsity squad did this and much more. The girls, led by Co-captains Debbie Calvanelli and Cindy Noebels, cheered the football team on to a winning season with "a gimmick a game." Every Saturday they arrived at 8:00 a.m. to decorate the locker room with posters, letters and streamers. Then, at game time they showed up with bubbles, pinwheels, funny hats or, as was often the case, plastic trash-bag raincoats. Their enthusiasm added much color and spirit to each game.

J.V. CHEERLEADERS. Cathy Merrow, Cheryl Evans, Sue Arcadu, Janet Huthansel, Dawn Primka, Jennifer Talerick, Jane Ragany, Jill Hunkele, Stephanie Pappas.

UNLIMITED FEW

The "Unlimited Few" is a club developed to meet the needs of minority women at South Brunswick High School. Mrs. Dolly Craig and Mrs. Toni Brown planned many activities for the club's members including a trip to see the musical "Raisin," a drive for the sickle cell anemia fund, and a trip to the Black Arts Festival at the Garden State Arts Center.

Mu Alpha Theta is the National Mathematics Honor Society. This year's members were inducted into the organization in March of their junior year. They were chosen because they demonstrated high achievement in math and they planned on taking calculus this year. Their activities included distributing career information about mathematics.

The 14 members of the math team competed on an interscholastic basis with high schools from Middlesex and Somerset Counties. The team participated in the Central Jersey Mathematics League. Mr. Donald Cooke and Mr. Joseph Valenti advised Mu Alpha Theta and the math team.

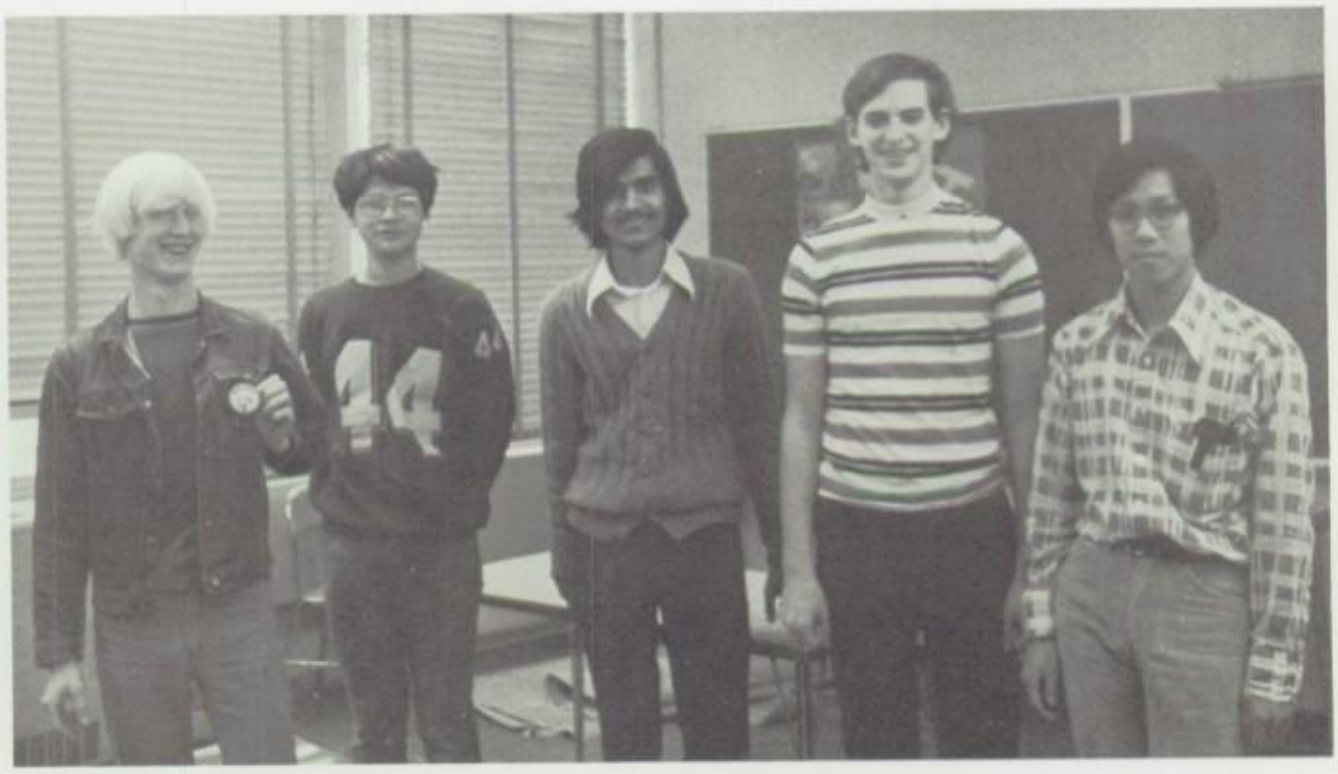
Chess Club

The Chess Club consists of a five man team and two alternates. The club's officers, Joe White, Pete Arnold, and Dave Avins, worked with Mr. Mennitt to organize the Central Jersey Chess League. Mr. Mennitt is director of the nine-team league. In addition to competing against the other teams in the league, the Chess Club attended weekend tournaments during the year including games at Atlantic City and Newark. Individual members of the Chess Club participated in other tournaments on their own such as a match that was held for the benefit of the March of Dimes.

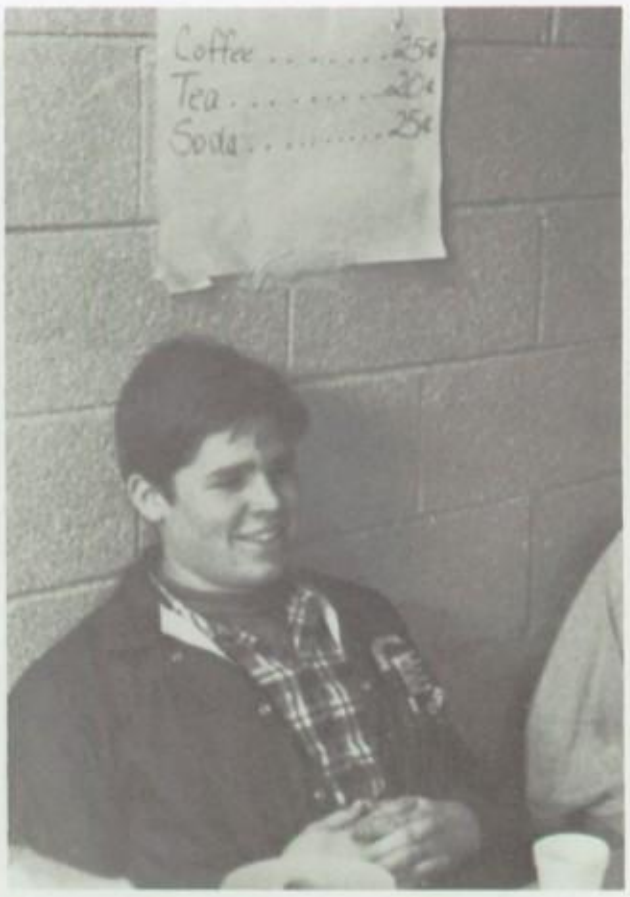


CHESS CLUB MEMBERS. Joe White, Chi Ling Hsu, Alok Goyal, Martin Indik, Jim Kuo.

National Honor Society

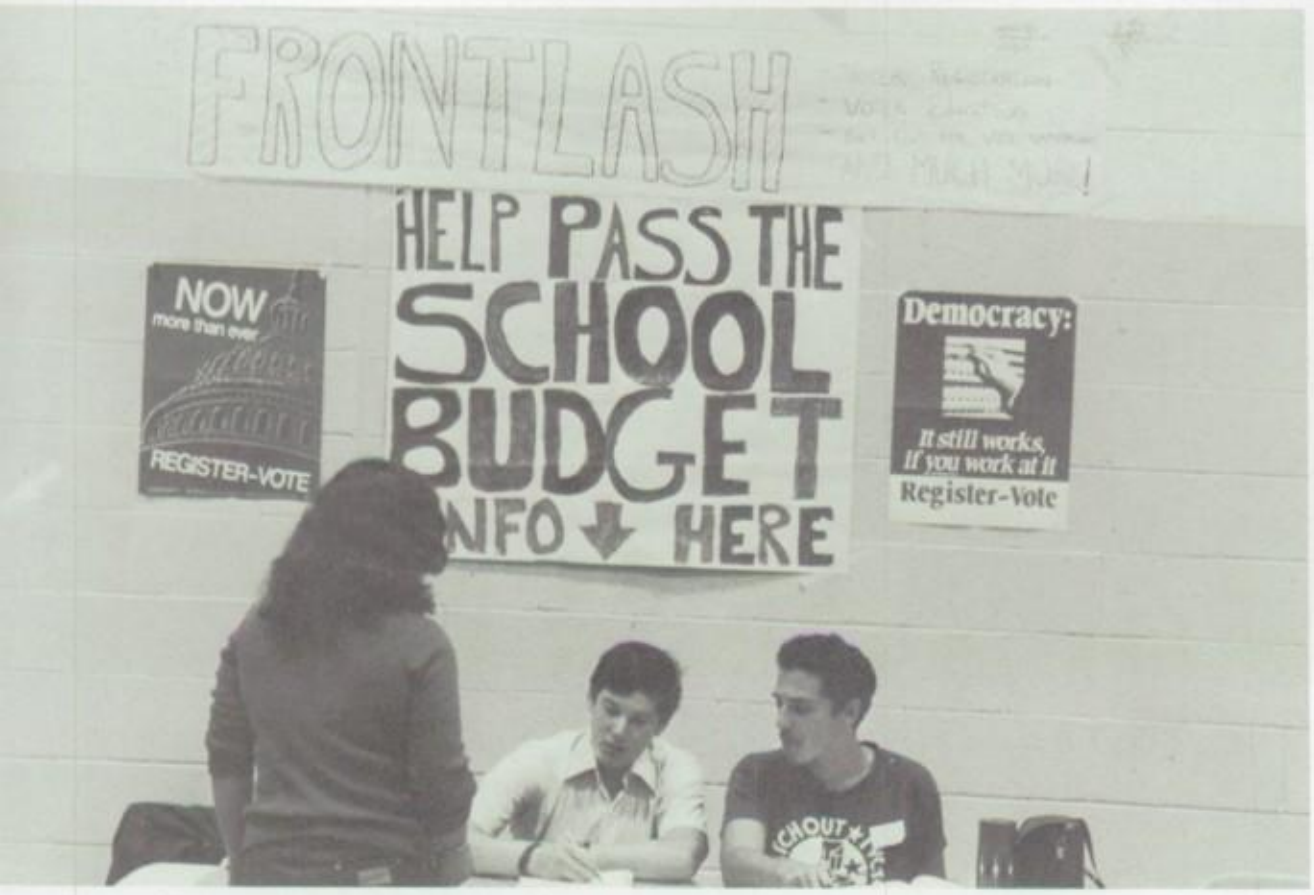
The National Honor Society is made up of juniors and seniors who have maintained a 3.5 grade average and received an affirmative vote from 80% of the faculty members. Membership is based on scholarship, service, leadership, and character.

This year's money raising activities included bake sales, car washes and two dances. N.H.S. members tutored fellow students and held a Thanksgiving Day food drive with the Student Council. The society granted scholarships to non-N.H.S. members. Prior to the annual Induction Ceremony in March, the old members celebrated by having a pizza party at Ricci's.



N.H.S. OFFICERS. Nora Tomasso (treasurer), Aggie Pascocello (secretary), Jayne Nagy (president), Mrs. Colligan (advisor), Mr. Hornick (advisor), Tom Baionno (vice-president).

Student Council



This year proved to be a successful one for the Student Council. This year's activities included Homecoming, a Thanksgiving Day food drive, and a candy sale. Student Council members decorated the school Christmas tree and helped FRONTLASH, a program to encourage people to vote. The Council also participated in student exchange days with other schools. These activities were the result of the cooperation between the officers, Mr. Rue — Student Council advisor, the committee chairpersons, and each member of the Student Council.

Ski Club

The Ski Club held four trips to Great Gorge and Vernon Valley. The club traveled in school buses instead of in the usual chartered buses. Good conditions made up for the uncomfortable ride.

RIGHT: Jeff Reil (vice-president), Bill McCallum (treasurer), Chris Lojko (president), Mr. Palazzo (advisor), Joe O'Brien (secretary).

Music Comes Alive — Concert Band and Chorus

Under the direction of Mr. Wright and Mrs. Parisi, the band and chorus presented the Holiday Concert and the Pops Concert. Both were successful. In addition to performances by the band and chorus, smaller groups of music students and soloists entertained the audience.

Basketball Cheerleading

J.V. CHEERLEADERS. Cheryl Evans, Leslie Moffit, Jill Hunkele (capt.), Dawn Simmons, Cathy Merrow, Dawn Romano, Janet Huthansel, Laurie Milne.

FRESHMAN CHEERLEADERS. Lisa Smith, Donna Helpap, Karen Kuthroff (capt.), Linda Thompson (co. capt.), Tracey Simmons, Shari Hopkins, Gay VonSprecklesen, Lori Fraser, Heidi Bohler.

Gourmet Club

The Gourmet Club enjoyed an international dinner one night each month. Each meal was planned and prepared by the members. Mrs. Farinella was this year's advisor. The officers were Robin Wolff (president), Sam Brown (vice-president), Anjali Dravid (secretary), Nancy VonSprecklesen (treasurer).

S.B.H.S. Journalists Produce Eidolon and the Viking Press

A staff of eighteen, led by editor Irene Yaros, met after school to produce *Eidolon,* South Brunswick High School's literary magazine. Advised by Ms. Judith Bebout, Ms. Maxine Roisin and Ms. Carolyn Evans, the staff collected short stories, poetry and art work from students and faculty. The end result was *Eidolon.*

Most of the preparation for the *Viking Press,* our school newspaper, was done in Ms. Weber's seventh period class. The staff of nineteen worked hard to produce the *Viking Press*. The newspaper kept students aware of what was going on in S.B.H.S.

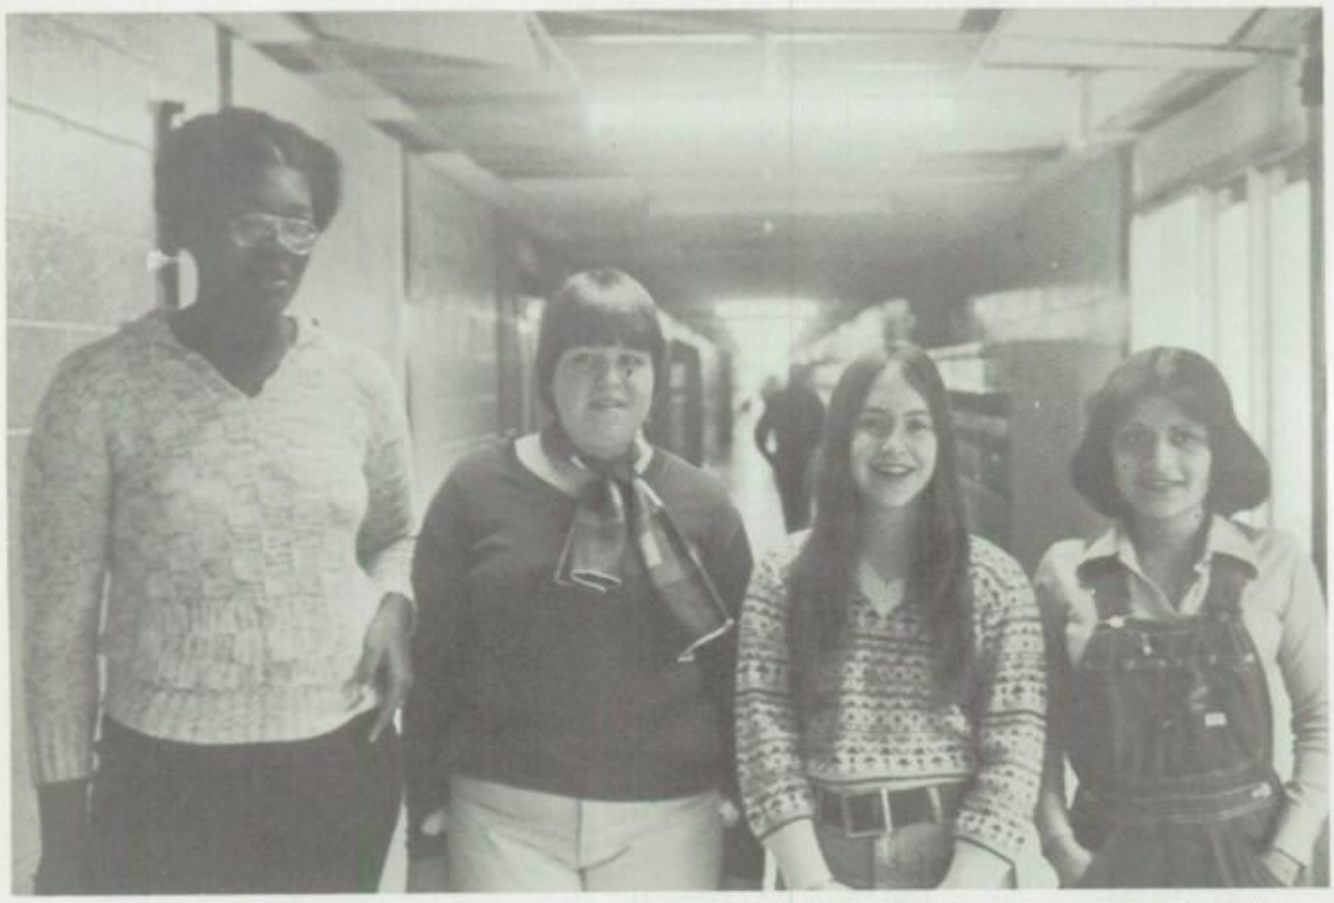
American Field Service



A.F.S. OFFICERS. Lorraine Cosby (treasurer), Laurie Nelson (vice-president), Amy London (president), Anjali Dravid (secretary).

The American Field Service is a program through which American and foreign students have the opportunity to study abroad. Ursula Vettori came to the United States as an exchange student from Muri, Switzerland. Through A.F.S., Ursula was able to spend a year as a senior in S.B.H.S.

Mark Espenscheid, a junior, was chosen by A.F.S. to spend a year in Chile. He's presently attending a public school there. Mark will return to South Brunswick in February, 197

The S.B.H.S. chapter of A.F.S. raised money by selling Christmas cards, Bicentennial license plates, baked goods, and by sponsoring dances. The funds are used for scholarships.

YEARBOOK — A LOT OF WORK AND TIME

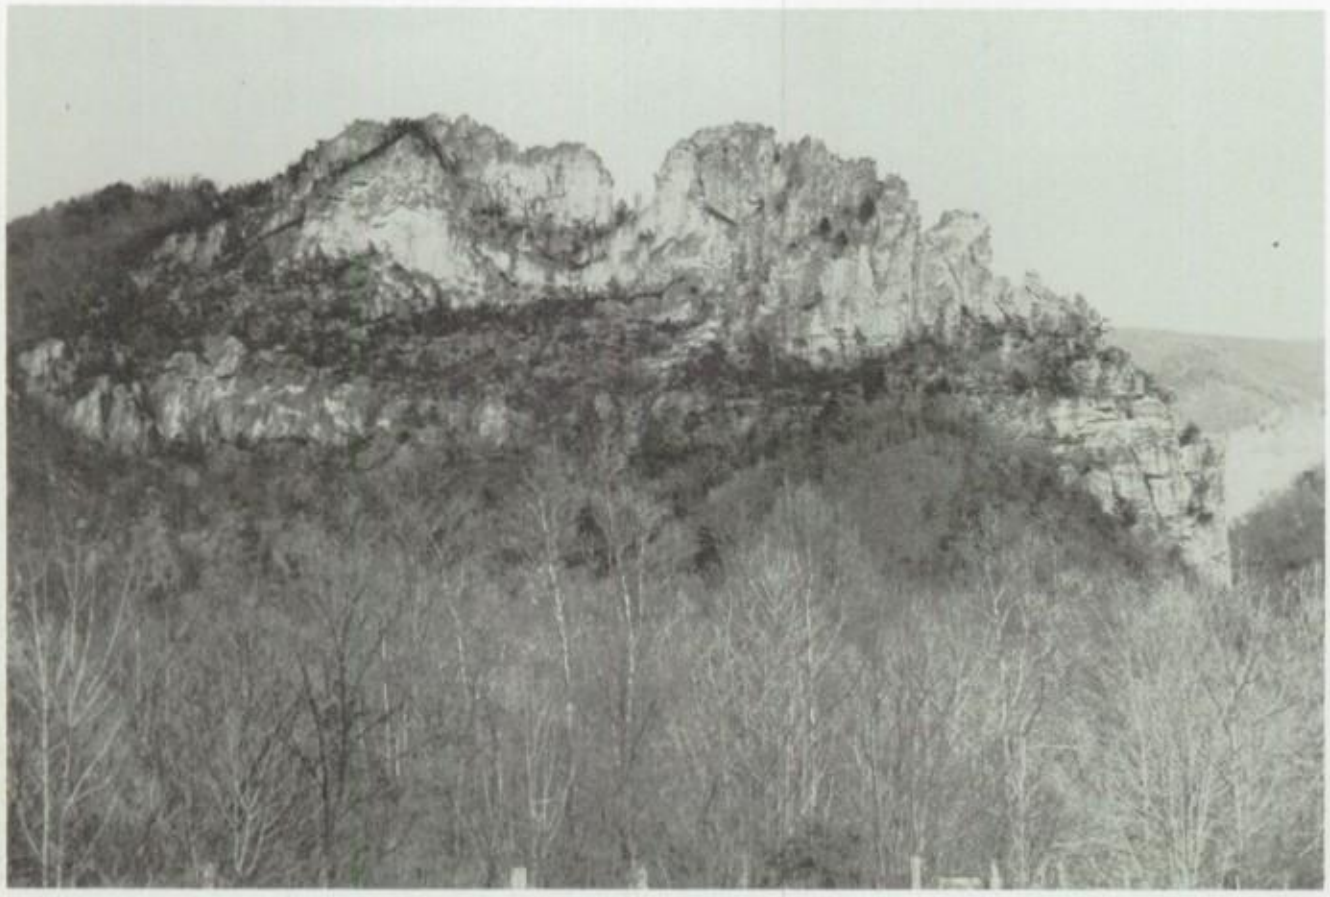
Producing *Valhalla '76* involved he cooperation of the entire staff. The photographers had to take pic-ures, develop the film and then print he pictures. The pictures were then given to the editors who chose pic-ures to fit their layouts. As it got loser to a deadline everyone had to work twice as hard.

Mr. Thomas Queenan advised the taff of *Valhalla '76*. Mr. Churchill Clark advised the photographers. He lso taught journalism to the juniors n the class to prepare them to be next ear's editors.

The students in the yearbook jour-alism class who weren't editors were n charge of the sale of boosters, dvertisements, and the sale of the ooks themselves. These students also elped with numerous jobs including yping and proofreading copy.

THIS YEAR'S EDITORS: R. Bonfilio, C. Noebels, E. Grasso, L. Tamasi, C. Hylemon, A. Pascocello, L. Santaniello, J. Papadem, C. Ilnicki, I. Blazewski, K. Cooke, K. Scurato.

OUTDOOR CLUB



The Outdoor Club combines learning experiences with a good time. Nothing stops Mr. Angelo Costa, Mr. Dennis Sabo, and their group — not rain, nor snow, nor dark of night. This year's activities included ocean and river rafting, hikes, hang gliding, spelunking (caving), and cleaning up the environment. These strenuous activities work up an appetite. Outdoor Club members satisfied their hunger at McDonald's after each trip.

SOCIETE HONORAIRE DE FRANCAIS

The French National Honor Society recognizes juniors and seniors who have done above average work in French. With Mrs. Gloria Wiernik as advisor, chapter of the society has successfully completed its second year. This year's activities began with the induction of new members and the election of officers. Other activities included going to a French restaurant and film, contributing poems to a French magazine, and tutoring.

CLUB DE ESPANOL

This year, for the first time, Spanish III and IV students were selected for membership to the newly formed Spanish Club. The function of the club is to provide an understanding of the Spanish culture and to enlighten and enrich Spanish students with cultural experiences. The 29 member organization is led by President Chris McGuigan, Vice President Marcia Bair, Secretary Ellen Kaplan and Treasurer Marc Stolzer with Dr. Fox advising.

The Spanish Club's activities included presenting a Spanish festival at school, seeing a Spanish opera in New York and eating at Spanish restaurants. The group had bake sales to raise money for Spanish students who aren't in the Spanish Club.

Band Performs at Festival

The South Brunswick Marching Band, along with eleven other bands from various schools, performed in the 13th Annual Home News Band Festival held at New Brunswick Stadium on Tuesday, October 7. On that cold night, our band, along with many others, gave their tribute to the bicentennial year by playing "American Fantasia," a medley of famous patriotic songs.

The audience gave them a roaring round of applause when they performed their dance step, the only one of its kind that night. The girl squads were also applauded for their fine routines.

As always, the members of the band, marched off the field feeling proud and satisfied with their own performances.

"Everything changes continually.
What is history, but a record
of change. And if there had been very
few changes in the past, there would have
been little of history to write."

Glorify Field as Are Welcomed Home

On the cold day of November 27 Homecoming took place. Preceding the half time performance, the band played a special song, and the Homecoming festivities were started.

The court and their escorts were as follows: Beth Appleby, Dave Keys; Iwona Blazewski, Tom Baionno; Cindy Noebels, Keith Cloutman; Joan Papadem, Olivier Gindraux; and Nora Tomasso, Paul Canning. Mr. Kaye presented the 1975 Homecoming Queen Beth Appleby with a bouquet of flowers as Judy Tomasso, 1974 Homecoming Queen crowned her. Much of the success of the festivities was due to the efforts of Sue Gildenberg and Dawn Primka, Co-chairmen of the Student Council Affairs Committee.

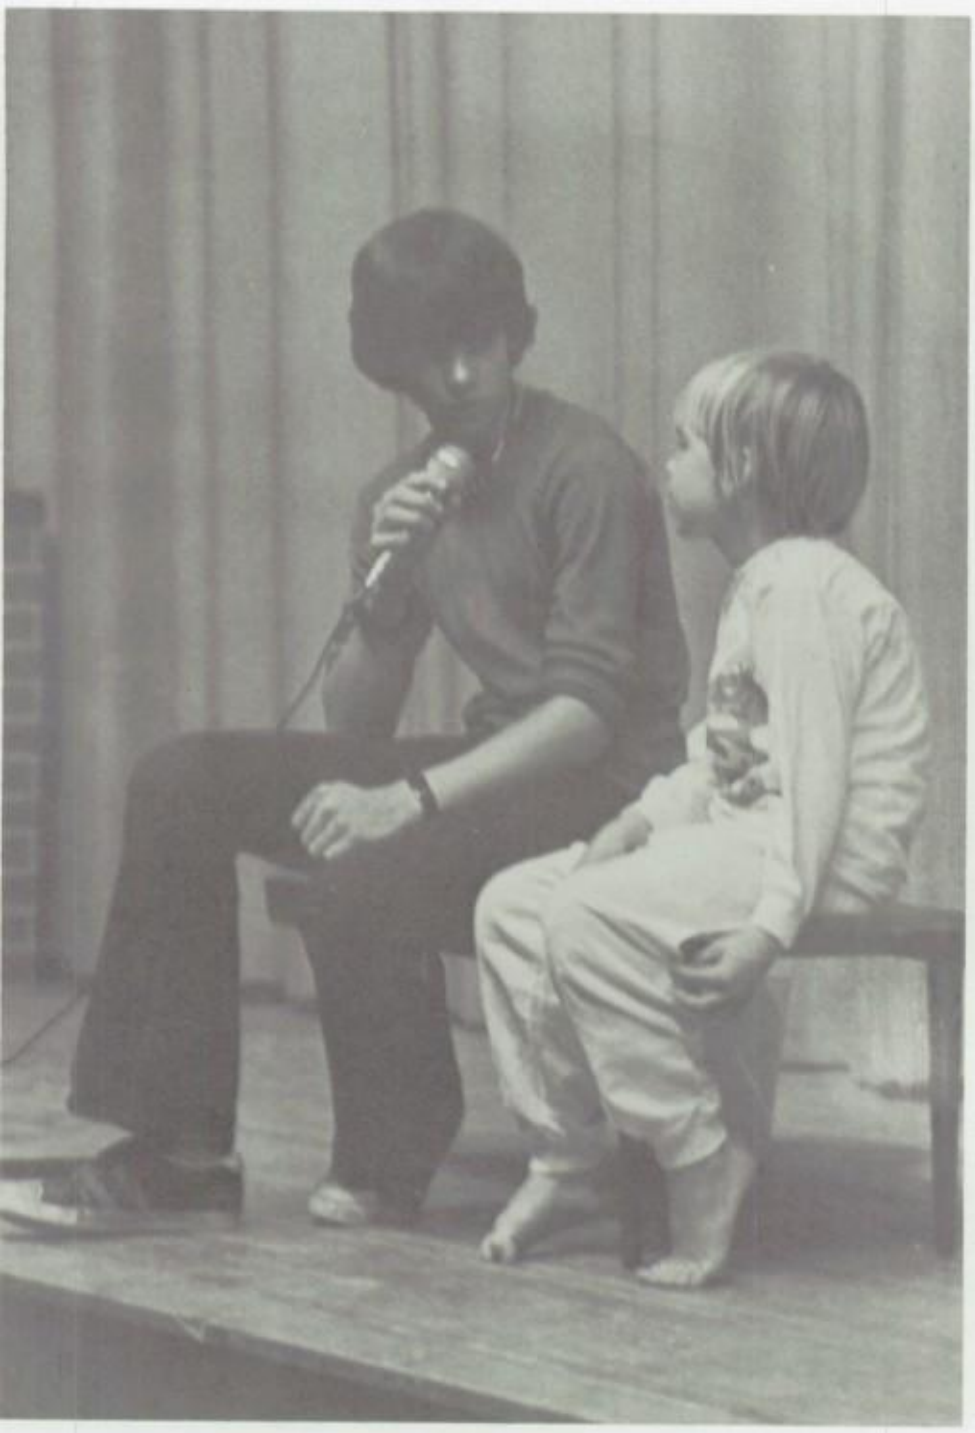
CLASS OF '76 WINS AGAIN

The class of 1976 won the float contest again this year, making it their second consecutive year in a row. This year the Seniors came up with a most contemporary idea which was "What do you feed your Vikings?" Well of course "Owlpo," "Made of 100% pure owl chunks, not a speck of muscle." But the Seniors had some tough competition, through the class of 79 coming in first runner-up. With the guidance of class advisors Fyffe and Brodkin, the freshmen created a bicentennial atmosphere in their float's theme "Drum Out the Owls." The class of 78 tried once again this year to win, with "Hang It Up Owls," and it pictured an owl dangling from a tree in a noose. The class of 77 also made an attempt to win, with their theme, "Going Down for the Last Time," and portrayed an owl being flushed down a toilet bowl.

HOLIDAY SPIRIT COMES TO SOUTH BRUNSWICK

The graduating class of 1976 decided to sponsor something new this Christmas, so they came up with the idea of a semi-formal dance. It was held on December 20th in the high school's new cafeteria, which was decorated nicely for Christmas, complete with mistletoe. Over one hundred couples danced and enjoyed the music of the Overland Express Band. And to top the evening off, Santa Claus paid them a visit.

HOLIDAY CONCERT



What is a Freshman?

"Serving his first year in jail."

"A highly sophisticated underestimated tot."

"Being afraid to raise your hand in a class full of seniors — even when you have to go to the bathroom."

"A kid who takes a lot of guff from the seniors."

"The future of the high school."

"A person not to be associated with Crossroads."

"At the bottom of everything."

"It's Me!"

What is a Sophomore?

"A non-developed junior."

"You feel like you're a part of the school, but considered little."

"You're right in the middle, not the youngest or oldest."

"Finally getting rid of the name freshman."

"It means doing a bunch of work."

"A handful of bankrupt 'spiritual' girls run the whole class — lazy guys."

"Sophomores are old enough to know, but too young to try."

What is a Junior?

"Knowing how to come out with a line for stupid questions like these."

"Someone who can't wait to have their locker upstairs."

"Someone who looks forward to an early dismissal."

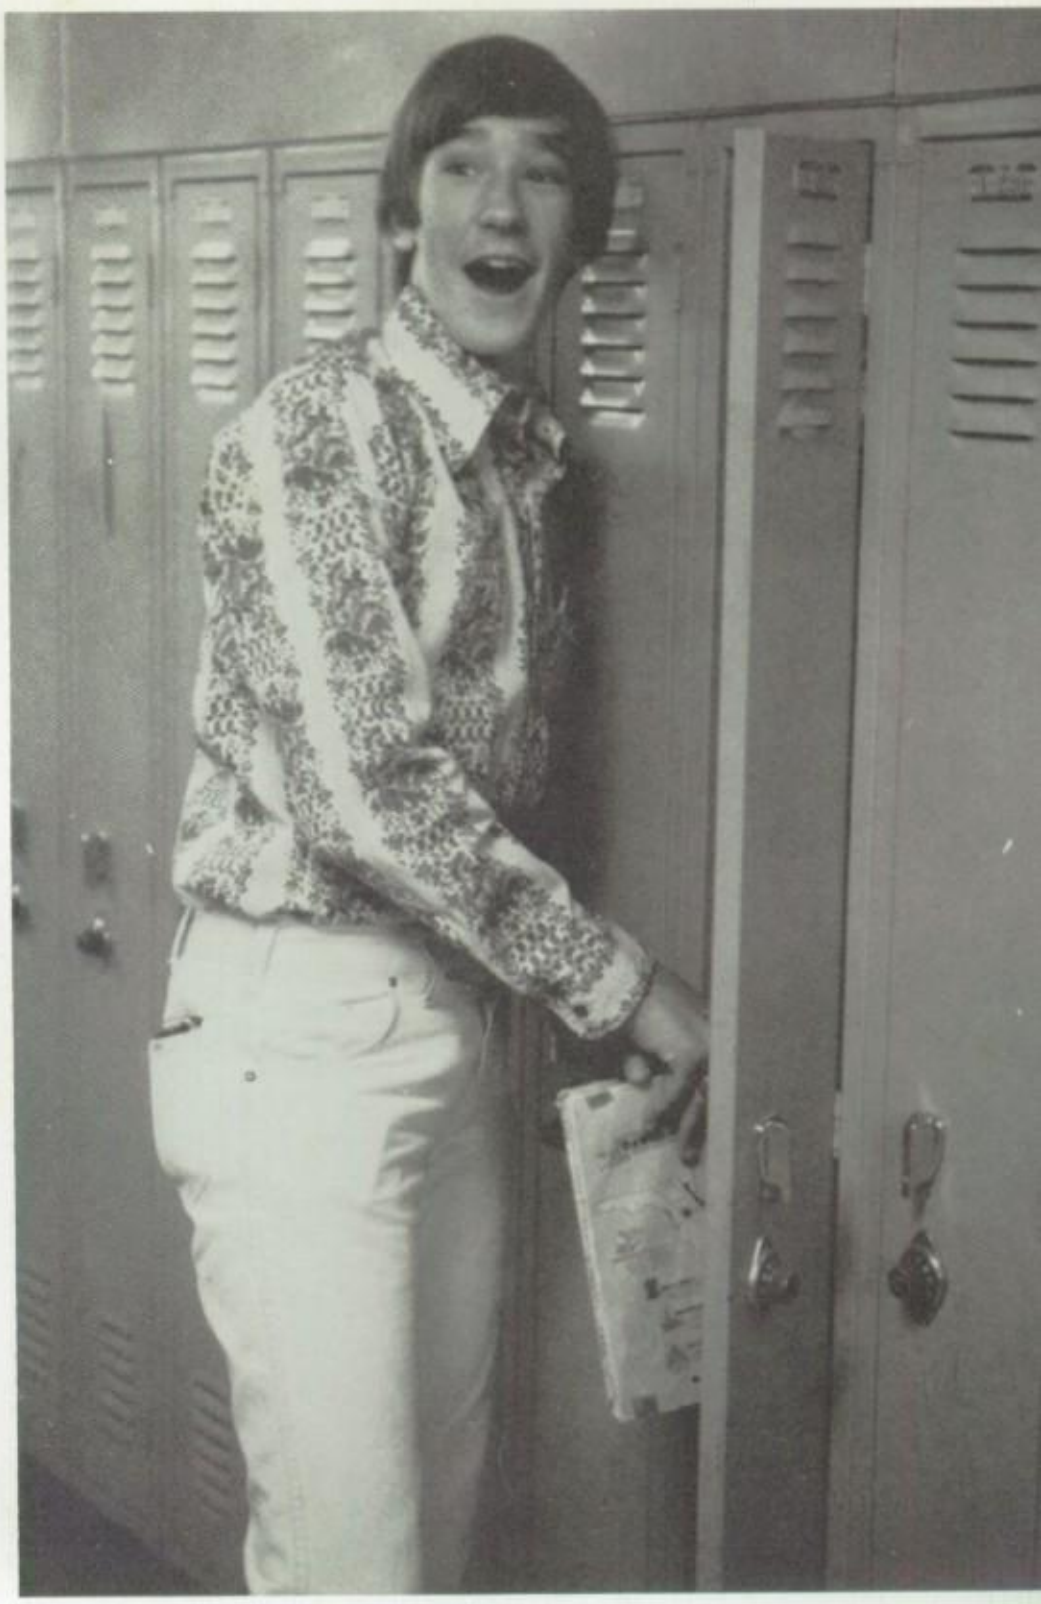
"A junior girl is someone who wants to go to the prom so bad and accepts the first invitation, but after she accepts, the man of her dreams offers to escort her."

"Being bored during his US I History Class."

"A junior observes very carefully the seniors, and how they manipulate people."

"A junior is either a person in the 11th grade, or a male who has the same name as his father."

"A person with two years gone, one year to go, and a year to think about."



What is a Senior?

"A senior is doing anything you want to do, and not caring what anyone else thinks."

"Looking at the freshman boys and wondering why you are not a freshman girl."

"Being able to jump in a car and go to Burger King for lunch."

"The struggle of waiting 4 years to get to the top, only to know you have to start all over again; at the bottom."

"Someone who's made it through four years of construction."

"Someone who the underclassmen blame for all their troubles."

"A person with a special cocky feeling, that no one else appreciates until their senior year."

"Being a senior means never having to say you're sorry."

Time Going By

Looking back, I remember —
Cheering at the football games, surrounded by the splendid colors of fall
Sitting in classrooms, waiting for the bell
the gloom of Mondays and the exhilaration of Friday
the clamor in the cafeteria
the laughter of friends and idle gossip
running through the Glass Hall
Looking ahead, I see —
the sun rising every day
colleges and jobs, marriage and children
surpassing obstacles with the last ounce of energy
daydreams become reality
finding mysteries under every unturned rock
accomplishments and responsibility
Looking back, I remember —
snow falling on the front lawn
my favorite teachers
assemblies and the lone cough during the silence
bees buzzing and grass growing and exams
the excitement of fire drills
all my puppy love crushes
Looking ahead, I see —
a multitude of new experiences
becoming the best I can
staying true to myself
gaining direction to my life
making new friends and treasuring the old
Looking back, I remember —
dreaming of foreign lands and places
working hard and wondering if it's all worth while
growing up, little by little
breaking the age-old mold of conformity
being lonely and lost
struggling along, looking for answers to questions I didn't know how to ask
Looking ahead, I see —
clouds of uncertainty in the distance
wondering what life is all about
being hurt and mending again
a never-ending road to travel
Most of all, Looking back, I remember looking ahead.

Varsity Football Team Exceeds Expectations With Pride and Spirit

The pride and spirit of our Varsity Football team could be felt from the mud splattered field to the roar of the crowd. Under the direction of Coach Elko and Co-Captains Vic Mancini and Doug Lavenberg the team came through with a 6 win and a 3 loss season.

The able assistance of Seniors Kurt Thompson, Eliot Runyon, Jim Long, Paul Smith, John Burton, Bob Romano, Jay Hackworth and Harold Hoppes helped the team accomplish more than the coaches anticipated. This was through the exercise of hard work and team spirit.

Eliot Runyon's school record of 10 interceptions, and Jan Blazewski's and Jim Long's running leave a season that will be difficult to duplicate. The passing of Rich Nasdeo to Doug Lavenberg, Kurt Thompson and Bob Romano, combined with the blocking of Jay Hackworth, John Burton and Jim Hopkins was spectacular, and the defense of Paul Smith, Vic Mancini and Ben Grover showed what total team effort could accomplish.

The desire and dedication of the members of our Varsity team make this year's season one that will be remembered.

Although this year many small schools dropped J.V. football from their schedules, South Brunswick's team did not follow suit, but instead pulled together through a tough season with the record of 4 wins, 4 losses and 1 tie. Thanks to the strength of the man power in the Sophomore boys, the J.V. team fulfilled the high standards they set for themselves at the beginning of the season. Though their effort and accomplishment this year, next year's Varsity team has a bright outlook.

This year's Freshman Football team compiled a 3-4-1 record.

The "Black and Blue Defense" accounted for a large portion of the team's success by allowing only two touchdown scores in nine attempts. The regular 5-2 defense held their opponents to a nine point average per game. Defensive players included backups Bill Radcliffe, Michael Miller, Ken Newberg, John Mayer, Tom Young, and Matt White. Halfbacks Ray O'Brien, Sid Coleman, Chris Langone, Douglas Higgins, Kevin Cloutman, George Fears, Keith Lowey, and Dave Baker. Bob Royals, John Crossen and Todd Davies provided the core of the linebacking crew. The line was anchored by outstanding defensive ends Tim Rauch, Quinton Rolle, Gary Mahler, and Al Hoffan. Great support was always provided by Mike Gremeck and Pat O'Leary at the linebacking position. Providing a strong defense against the rush were linemen Steve Burnett, Wayne Birkenthal, John Schwartz and Rich Martinez.

The team showed tremendous effort and gives South Brunswick High School great hope for the future.

Talent and Spirit Inspire Girls' Field Hockey

Like many other sports, field hockey requires a real team effort. Hours of time are needed to develop the kind of co-operation to work as an interdependent unit.

Another important factor to a successful season is a good morale. Our girls Varsity Field Hockey team had just that, and brought the season to a close with a record of 7 wins, 5 losses and 2 ties.

Although the competition was challenging, Captain Phyllis Harker led an excellent defense. Janet Kroeper, an outstanding member of the team's offense, was the leading scorer.

There is only one way to go when your team has so much talent and spirit, and that way is upward.

Athletic Ability Sparks

J.V. Field Hockey

South Brunswick's Girls' J.V. Hockey squad came to a close with 4 wins, 5 losses and 2 ties. Andrea Laland helped the team a great deal through her outstanding goal tending. Impressive performances by Roberta Buser, Madeline Fisher and Patti Kukfa helped the J.V. team reach its aim to win. Coach Cooke was very proud of her girls everytime they dressed to play because she knew they all had the potential for being fine hockey players.

The J.V. Hockey team has proved to the school that through their athletic abilities, they do indeed occupy a deserving high place on the South Brunswick sports calendar.

Varsity Soccer Aims for Their Goals

ABOVE: Another fantastic save by Goalie Matt Wacker.

ABOVE RIGHT: Defensive Captain, Tom Baionno sends the ball over his teammate's back with a powerful kick.

Soccer began its 1975 season a bit differently this year by establishing three pre-season aims; the first one was to construct a completely new team because there were only two returning players. The second goal was to break even, and the third one was to enlarge the soccer team by recruiting more players. All three squads, Varsity, J.V. and Freshman, achieved the aims they set.

The Varsity team had a rough season because of their inexperience in the beginning. With defensive captain Tom Baionno and offensive captain Greg MacMurray running the show on the field and Coach Nyitrai calling signals from the bench, the team showed great signs of improvement. Coach Nyitrai finalized the process by tying the loose ends up and making the Varsity Soccer team look like a seasoned and strong squad.

The Varsity Soccer team took the field against many rough teams and had a season of 8 wins, 8 losses and 1 tie with outstanding performances by Tom Baionno, Greg MacMurray, Bruce Perone, Steve Kukoda and Tim Tuskey.

J.V. and Freshman Soccer Show Potential

Soccer is a sport in which individual skills are important. There is also a need for team togetherness. Our 1975 J.V. Soccer Team members had just that, and we are all proud of the performances given by these boys this year. Jerry Rudin led the team through the season to score 16 goals with the aid of Paul White who played goalie, and with the rest of the team brought the season to a close with a record of 9 wins, 6 losses, and 1 tie.

Injuries Hurt Boys Cross-Country

A team which is so committed as to run with injuries greatly deserves the admiration and appreciation of the entire student body. The Boy's Cross-Country team, although beset with injuries, sickness and a very tough schedule is such a team. Tony Long, Olivier Gindraux, Danny Galvano and Jimmy McIntyre performed impressively against overwhelming odds. Tony Long placed first over all the varsity team runners, with Olivier Gindraux and Danny Galvano tying a close second.

The Freshman team also performed outstandingly this season. Because of the tough workout they received this year, these track runners should have no problems facing any competition in the future.

The First Year of Girls Cross-Country

This year South Brunswick added another event to its sports calendar. In the past, Girls Cross-Country was left in the closet; this year, with the help of Brian Jost, a team was formed.

Coach Jost turned inexperienced girls into Cross-Country runners. The team ran in rain, snow and sun until its members mastered the skills needed to compete with other schools.

The girl's squad ranked 27th in the Central Jersey Championship with 42 schools competing against them. Diane Smith placed 28th in the Middlesex County Champs and set a new school record — 14:12 in the 2 mile. Every girl did her utmost to run her best.

Dedication and Determination Sparks Varsity Basketball

The Varsity Basketball team won 20 games and lost 2 after losing their starting players at the end of last year's season.

The starting five consisted of Seniors Kurt Thompson, Eliot Runyon, Danny Galvano and Juniors Jan Blazewski and Greg Berger. The chief reserves on the team were Al Balcomb, Jim Hopkins, Tony Perez, Tony Scism, John Newman and Dennis Johnston.

The secret behind the team was dedication, talent and hard work. Under the leadership of Coach Balcomb they held the title for the last two years consecutively for the Delaware Valley League Championship and they won their Christmas Tournament against West Windsor and North Brunswick. They ranked number 1 Defensive Team in Middlesex County.

Captains of the Varsity Basketball team were Kurt Thompson and Danny Galvano who combined their playing basketball knowledge and leadership to achieve a winning season. Greg Berger was the leading scorer who averaged 18.5 points per game. Jan Blazewski's ability to play both offense and defense made him one of the most valuable players that S.B.H.S. has seen in a long time.

The J.V. Basketball team, led by co-captains Tom Sullivan and Steven Ginsberg, had a disappointing season, but this never dampened their enthusiasm. They showed continuous effort and ability throughout the year, but the inexperience of the team led them to a 6 win and 13 loss record.

The experience and ability of Juniors Tony Perez and Jim Hopkins helped the team considerably by giving tremendous support to the younger members of the team. The leading scorer for the team was Sophomore Tony Scism.

Many of this year's J.V. players will be returning next year, and with the experience they have gained this year, they could have a winning season in 1977.

The 1975-76 Freshman Basketball Team coached by Mr. Anderson started slowly, but ended their season with a record of 4 wins and 9 losses.

The team's most impressive performance was against Allentown, down by 17 points at halftime, the boys came back to win the game in double overtime with a score of 65-62.

The Freshman team, though not posting an outstanding season, built up their confidence and learned to work together. With this year's experience and effort, the team hopes to have a winning season next year.

Winning Season

Girls' Varsity Basketball

The Girls' Varsity Basketball team opened their season with only 3 returning Varsity players, but that didn't stop those enthusiastic girls who posted a 11-0-5 record.

The starting line-up consisted of Senior Phyllis Harker, who was a very strong and talented captain, Junior Helen Faulkner who is exceptional both in dribbling and passing, Patty Thompson, with her outstanding rebounding abilities, and Wendy Prouty, who made successful outside shots.

The team accomplished many of its victories because each girl on the team played with spirit and determination. After their victory over Piscataway, the Girls' Varsity Basketball team was named Middlesex County Champions.

Team Work Leads to J. V. Girls' Basketball Success

J.V. Girls' Basketball worked as a whole team to complete a good season with a record of 9 wins and 17 losses.

The entire team showed outstanding spirit throughout the season. The starting line-up consisted of the following girls: Patti Kukfa, Joyce Bubrow, Roberta Buser and Beth Forsell. The competition this year was stiff, but their victories earned the J.V. girls a place in the S.B.H.S. Sports Calendar.

Varsity Wrestlers Make a Valiant Effort

The graduation last year of many valuable wrestlers proved to be a great handicap to this year's Varsity squad. The team, comprised mostly of Sophomores, worked hard along with Coach Nyitrai to insure a promising future.

The four outstanding wrestlers on the team were Senior Captain Jim Dowgin, Co-Captain Greg MacMurray, Danny Recchia and Sophomore Ben Grover. In one match Grover pinned his opponent in 0.18 seconds.

The team as a whole ended its season with a 4 win and 8 loss record, but it promises better things in the future.

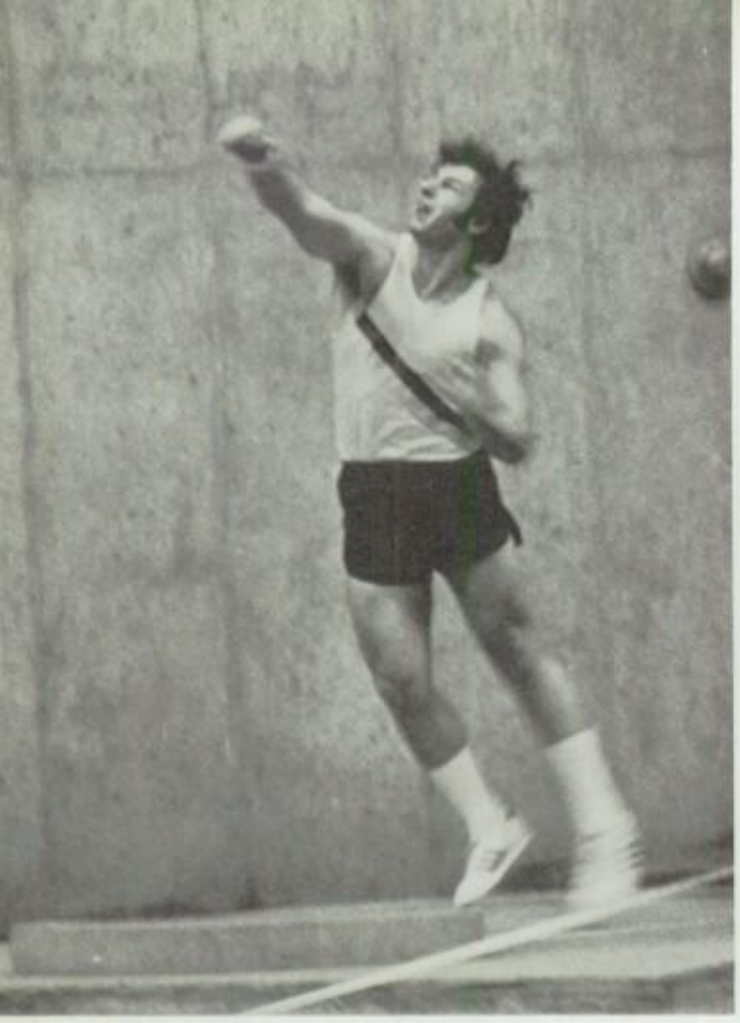
FRESHMAN WRESTLERS

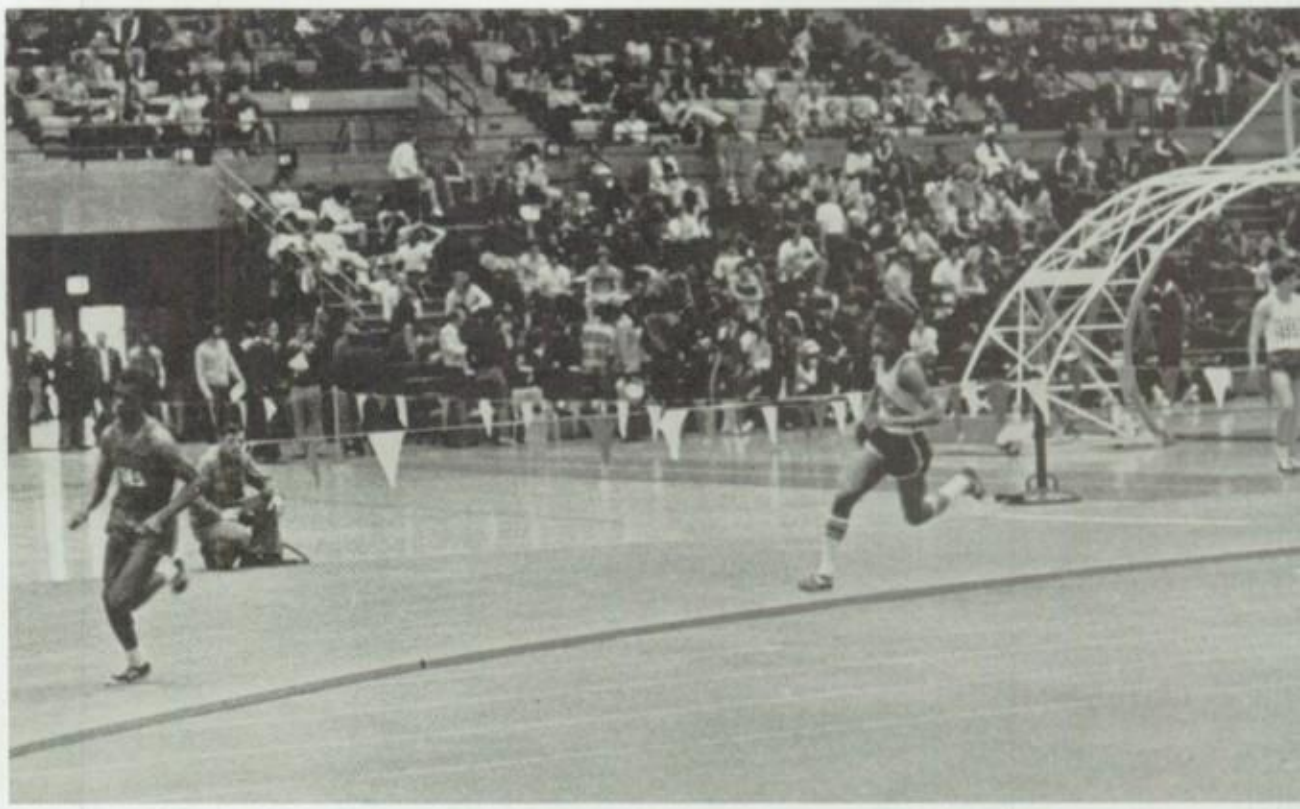
STANDING (l, r): Asst. Coach Nazario, W. Burkenthal, R. Ryals, E. Parker, J. McDonough, A. Hofmann, K. Burkert, Coach Langone. *KNEELING (l, r):* A. Winkler, M. Brown, R. Celentano, D. Breen, M. Langone, B. Abrams.

J.V. Wrestlers posted 10 wins and 2 losses this season. They all worked together to perfect their outstanding abilities. Many of them participated in Varsity matches during the season. Ken Berg's undefeated record of 12-0 is one that will not be forgotten in a long time.

Freshman wrestlers worked many tedious hours to develop a Viking spirit and wrestling know how. The 1975-76 team showed that they had the skills necessary to match the competition of other schools. At the closing of the season their scores were 3 wins and 7 losses. Outstanding performances were given by Dana Breen, Alex Winkler, Mark Langone and Bill Sassman. Through a long and sometimes difficult season, the boys showed great courage, determination and ability.

Unsuitable Weather Doesn't Stop Winter Track





Bad weather didn't stop the Boy's Winter Track team from running. Many important meets were run under less than suitable conditions. Many valuable runners returned this year.

Outstanding Freshmen on the team were Kevin Ruppert for the high jump in 5'10" and Tim Kelly for the 60 yd. hurdles and the 60 yd. dash. Many other schools didn't have Freshman teams, so they ran with the Varsity team.

A new school record was made for the mile relay which is held by Norman Malinowski, Tony Long, Jim Long and Jeff Reil in 3:33.6. Tony Long's new record for the high jump is 6'2", one record that will be hard to break. Norman Malinowski, who ran the 440 in 51.6, has made yet another mark in the S.B.H.S. Sports Record Book.

SENIORS

REFLECTIONS

Four years of SBHS. For some of us it has been too long; for others not long enough. There were days of good times, days of total frustration, days that offered nothing, days in which we grew.

Our freshman year was the beginning. A chance to meet people, start an athletic career, broaden our minds, and develop our interests. It was our time now to enjoy the maturity shared only by those before us. Who can't remember looking up to seniors and wishing to have their nonchalant attitude? But we were excited with our own kind of magic. The staggered sessions isolated us, making us unique in many ways. The unity and spirit of our class was far greater than that of many classes before us. So we became the "Spirit of '76" sharing the same fervor and daring attitudes as those who helped our country grow 200 years ago.

The summer of '73 passed, and we returned as sophomores filled with plans and hopes of making this year better than last. The new CIPED program opened doors that had been closed to us before. We continued to grow and get involved and we came a little closer to finding ourselves.

We left many memories: spaghetti dinners, the pancake breakfast, the '50's day and dance, the activity day, bake sales, and painting the bleachers. The Sophomore Dinner ended our first two years, and marked the beginning of our final two years.

That summer was the summer of change. We shifted our focus from the class to ourselves. Our enthusiasm became a quiet determination to reach the goals that we had discovered in the search for our own identities.

Our senior year. The time we begin to think of independence, new faces, and challenges which will shape our tomorrows. Waiting for our tomorrows seems endless. The pressures have made us overly serious, and we have grown impatient with anticipation. The weekends come as welcome outlets. Graduation draws nearer and it seems difficult for many of us to leave friends who have become our security. But we know we will adjust. We have passed through four years together, and have accumulated many precious memories. But most fondly, we will remember June 16, 1976. Now let us work to achieve dreams, contemplate opportunities, and begin from this day, carrying the "Spirit of '76" with us.

Friends —

We've grown with them,
We've lived with them,
And now we're leaving them.

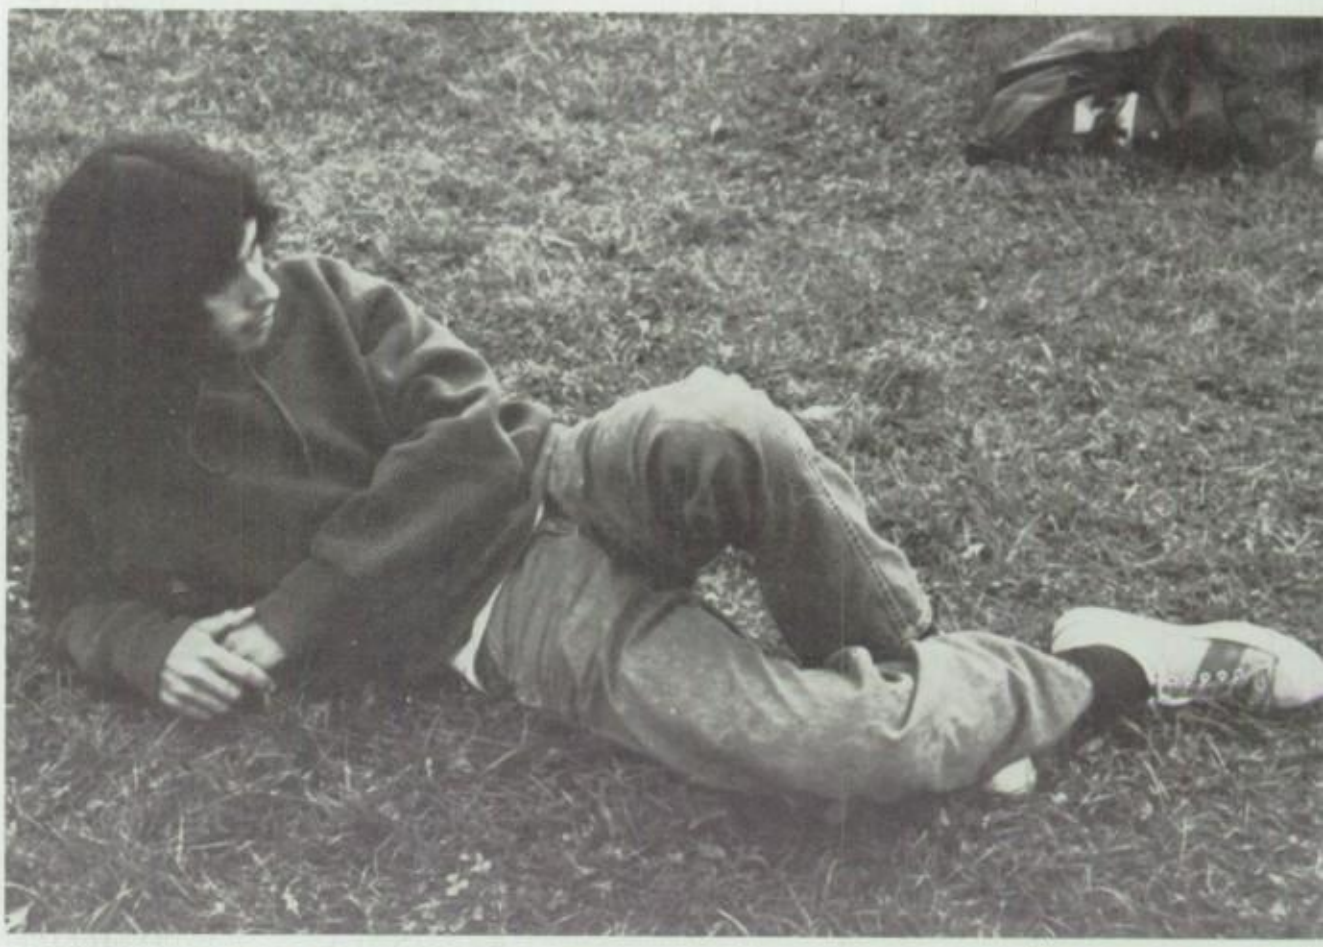
19. MOST FLIRTATIOUS:
    Robin Young
    Danny Galvano



The day of graduation draws near, and we wonder where the years have gone. What has happened to the vulnerable freshmen who rushed in four years ago? Now, you are rushing out but to where? to whom? to what?

September of 1972 opened up the experience of high school to your Freshman Class as it did for all other classes before you. Some of you came quietly, tentatively waiting; some came with curiosity, poking and prodding, and others jumped in. Each was searching and reaching for the person that he might become. Whatever course was taken, you moved together through your freshman year with unique enthusiasm, courage to try what had never been tried, and determination to make each venture a success. There was something very special about your class. You knew it, and so did we.

The magic grew, and the name "The Spirit of '76" became yours. It had stood for the daring imagination and excitement of one man's feat and now embodies the pride of the nation's Bicentennial year. Your accomplishments contained the same imagination and produced the same awe. Perhaps more than any other class. You believed in your strength and abilities, and made others believe.

You grew: sometimes faltering, sometimes falling back, sometimes in sure, found steps. But, most certainly you started to become more truly yourselves, distinct and whole persons. Your uniqueness as a class has become the uniqueness in each one of you. You will always have those special qualities that made your class "The Spirit of '76," and will carry them wherever you go.

The doors that let you in as freshmen are closing as you leave, and you are once again vulnerable. A new cycle is beginning for you and you will each enter it in your own way. Just put into your future the enthusiasm and determination that was "The Spirit of '76," and you cannot fail.

A MAN A COACH A FRIEND

Thursday, November 27, 1975 was a cold, dreary, and rainy day in South Brunswick, a curious bit of staging on the part of the gods who seemed to set the day according to everyone's emotions. For on this day, Mike Elko was to make his final appearance as a Head Football Coach for the South Brunswick Vikings. Many, both fans and foes, will deeply feel the loss of such a great leader.

What can be written about one man who wholeheartedly dedicated his past twelve years toward the instruction of our athletes? Mike Elko not only taught his players the fundamentals of football and hard play, but he also taught them to win fairly, overcome defeat, and withstand the agonies of gruelling practices. Many coaches have accomplished these tasks, but few have also succeeded in gaining respect and sustaining the close-knit relationships that Mike Elko did with his boys. On Coach Elko's teams there was no such word as the word "I." The players were taught to win as one unified body and not as individuals. While mastering technique and conditioning skills, Mickey's boys learned to respect themselves and develop into finer young men.

Elko's coaching career at South Brunswick began in 1963 when he filled the vacancy on the staff as Coach of Ends. Since then he has replaced former head coach, Mr. Anthony Toto, undertaking a much more intense and time consuming job. Now, seven seasons later, he has left

behind him a list of accomplishments that will be difficult to duplicate. He has compiled an overall 35-27 record. In 1971 the Norsemen completed an exceptional 7-2 season and Mr. Elko was awarded "Coach of the Year" in the suburban area. In 1973 the Vikings clinched the Delaware Valley League (DVL) Championship. In his final season, 1975, he and the squad compiled an unexpected 6-3 record, bouncing back from last year's record of 2-7.

Although his records will always speak for themselves throughout South Brunswick's history, the real testimony is told only by those who knew him. It is those who worked with him that were fully rewarded by what he gave and sacrificed of himself for others.

The S.B.H.S. Players under the direction of Churchill C. Clark performed *Man of La Mancha* this past spring. The play was choreographed by Sheila Clark and musically directed by Chauncey Chatten. Assistants to Mr. Clark were Lorraine Tamasi and Andrea Shuss. The story was about a lovable old man (Martin Indik) suffering from delusions, his Lady Love (Karen Kahn) and his faithful servant (Erol Tammerman).

All who attended were satisfied with a production well done.

On May 22nd the second successful Mr. South Brunswick was presented by the Senior Class of 76. The well deserved winner was Tom Baionno. Joel Forbes took first runner-up, and Eliot Runyon pulled in with a strong third place. All fourteen contestants were judged on talent, looks, and a final question asked by hosts Karen Kahn and Glen Petrone. The evening was filled with laughter which made an enjoyable night.

On May 1st and 2nd the Unlimited Few performed "Michon Cumbaii", a musical filled with dance and literature.

The annual spring FIAHE was held on May 21st in the High school gym. Students who took classes in Fine and Industrial Arts and Home Economics displayed their work for everyone to see. The band and chorus also performed their talents and made the FIAHE an outstanding day.

Baseball '76

This year's Varsity baseball team had an impressive 19-6 record. They won the Delaware Valley League Championship. Paul Smith set a school record of hits 32-.42. Tom Baionno and Paul Smith won All County and All League awards. There were 16 Varsity Letter winners. Coach Duttry inspired the team which led to their victories.

The J.V. team showed effort and ability throughout the season which gave them a 15-2 record. Constant training and encouragement given by Coach Elko led the boys to a successful season.

The Freshman baseball team finished the season with a record of 16-1. Under the leadership of Coach Travers, the boys had an outstanding season. The team shows great promise for the future.

Softball

The girls Varsity team showed great ability which left them with a 16-7 record. Captain Phyllis Harker and Co. Captain Judy Kroeper led the team in talent and much spirit. Each girl played with determination and showed effort. Coach George Hosea and manager Joanne Slovinsky were both very proud of the girls this season.

The J.V. team worked together showing effort and hard work. They ended with a season record of 5-3.

Tennis

The boys tennis team completed the season with a record of 6-13. The team worked hard with Coach Titterington which led to their victories. The Varsity Letter winners were Pete Jakab, Klaus Belohoubek, John Kules, Rich Domotor, Jim Moore, Doug Braun, Steve Lazar, and Mark Brown.

Head Coach Whitman led the girls tennis team with determination. Their victories were 5-13. The team is looking forward to a better future. Varsity Letter winners were Beth Appleby, Carol Hood, Lorraine Crossen, Carolyn Ilnicki, Jana Bair, Lisa Bair, Lisa Anderson, and Lori Sansiper. J.V. Letters: Margie Wachtel, Brenda Goodman, and Anjali Dravid.

The Viking track team had a great season this spring with a 9-0-0 record. They finished as Highland Park Relay III Champions, Small School County Relay Champions, and were D.V.L. Champions again this year. The team will be losing many valuable seniors, but with the same hard work and effort shown this year by underclassmen there should be no problems facing future competition.

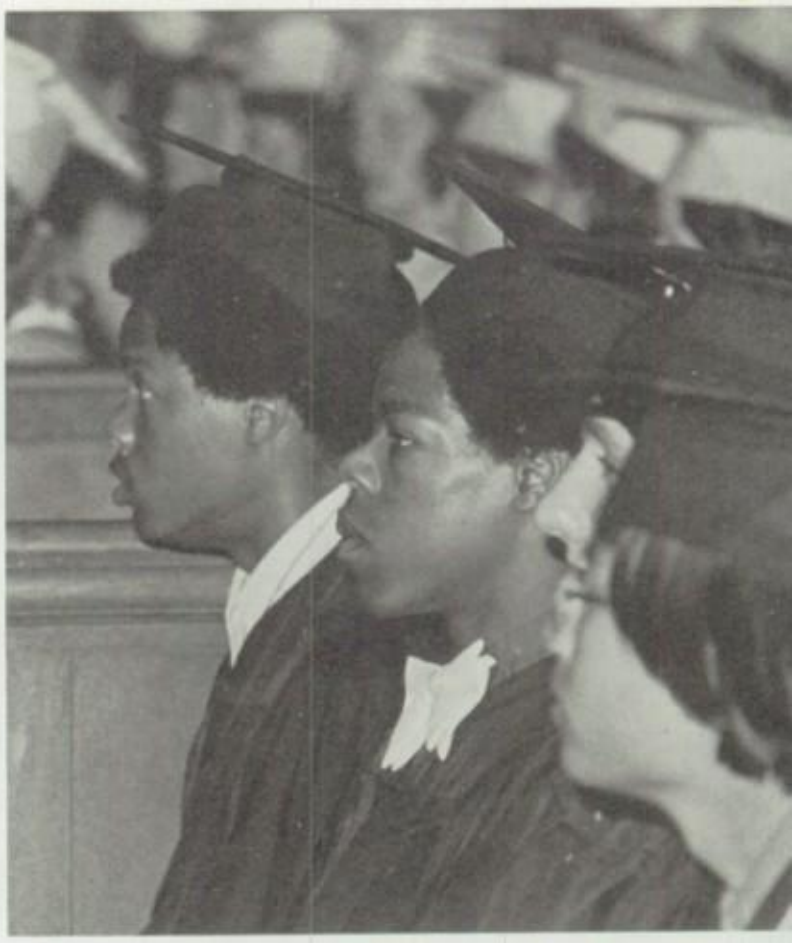
Seniors Enjoy Boston

The senior class trip to Boston was enjoyed by all. From early June 7, 1976 to late June 10, 1976, the students toured the Boston area by bus.

From a home base of the Kings Grant Motor Inn in Danvers, Massachusetts, they visited museums, a beach, Sturbridge Village, The Freedom Trail, Mystic Seaport, and a nightclub called "Lucifer", and more.

The class came home a closer one, and those four days hold a fond memory for all.

Graduation '76



The night of June 16, 1976 was a meaningful one for this year's seniors. 281 students graduated at Princeton University Chapel at 7:00 p.m.

Speeches were given by Andrew Greess, valedictorian, Bonnie Pobiner, valedictorian, and Alok Goyal, salutatorian.

Parents and friends were entertained by the South Brunswick High School Band and Chorus. The band performed "Battle Hymn of the Republic" and the chorus sang "Man and His World". Graduating seniors joined them, participating for the last time.

The bicentennial theme was made evident by the ushers and usherettes who wore colonial costumes.

The evening was enjoyed by all, especially the nervous graduates.
